

OPTIMA CLASSICAL ACADEMY

Classics to Keep

Welcome sunshine, blue skies, and swimming pools! As you embrace the lazy days of Summer, we invite you to settle into the Great Books. At OCA, we nurture the development of literacy in the Summer months as well as the school months. We have provided titles to read as you dig your feet into a sandy beach or cool off in the comfort of your living room. Build a fort, grab a popsicle, and travel to wonderful places that can only be experienced in Great Books. Throughout the Summer we will schedule times to meet in the metaverse and discuss your amazing literature adventures! Happy reading!
