	Option 1	Option 2	Option 3
Monday	Music	Chess	Student Magazine
Tuesday	Music	Expressive Art – Until 15 <sup>th</sup> March  Robotics Club – From 22 <sup>nd</sup> March	Learn Arabic
Wednesday	Sports		
Thursday	eSports	Careers & Employability Skills	CREST Award
Friday	British Sign Language	British Culture & Afternoon Tea	Yearbook

- Afternoon Tea & British Culture

Staff Member: Ausra Bremner / Wiki Solly

Location: Heygate / High Street

What to Expect: If you want to chill after a busy week – Afternoon Tea session is for you. You will be served variety teas and coffees, freshly baked cakes and learn English tea drinking history and etiquette. You will also learn about the tea/coffee drinking traditions around the world and have theme-based afternoons, e.g. Greek, Italian, French, Kenyan, Thai, Vietnamese etc. This is also a relaxed and safe place to catch up with the friends and discuss week's events. What's shared in the club – stays in the club! So, if you want a tasty treat and a natter- Afternoon Tea session is for you : )

- Arabic

Staff Member: Amer Altaher

Location: Folly 2

What to Expect: Learn Arabic Language in a fun interactive environment! Learn to show empathy with people all over the world as you learn to communicate in another language and appreciate different. cultures

In this enrichment club, we will begin to learn the language and be able to greet people, give information about ourselves, describe the weather and give our opinions on different topics. We will also learn about Arab culture and one of the most exciting and controversial festivals. We'll also be showing our amazing curiosity and adaptability to learn the Arabic writing system to be able to create our own writing projects.

- British Sign Language

Staff Member: Rung Tumporn

Location: College House Computer Room

What to Expect: Sign Source for Secondary Schools is a 6-session teaching resource that has been designed for use in the classroom for up to 30 students. The sessions are engaging and interactive and include a range of activities and group work to reinforce learning.

[Sign Source | Sign Language Courses](#)

- Careers & Employability Skills Workshops

Staff Member: Chris Szadura & Leo Constantin

Location: Folly 4

What to Expect: These workshops will help you to understand what employers are looking for, how to apply and prepare to enter the workforce. Workshops include tips on how to find and apply for jobs, prepare for interviews and assessment centres.

- CREST Award – Bronze Award

Staff Member: Williams Roberts

Location: College House 7 & 8

What to Expect: Bronze Awards introduce students to project work empowering them to work like real scientists, technologists, engineers or mathematicians. Students choose their own topic and methodologies, giving them complete freedom over their work.

[CREST Bronze — CREST Awards](#)

- Expressive Art

Staff Member: Mary Bidgood

Location: HI12

What to Expect: In the expressive arts club you will have the opportunity to use a variety of different materials to create 2D and 3D pieces of artwork. There will be painting, collage, sewing and sketching. We will be creating our own personalised mugs, exploring photography, creating large scale paintings and building some unique constructions. You will have free choice of activities based on what you enjoy, all fun ideas are welcome.

- eSports

Staff Member: Margo Georgiev

Location: PK Building

What to Expect: Esports is different from standard video gaming in that it's a contest involving teams of people playing against other teams, often with spectators. Players work together to compete against others online in games such as Rocket League, Overwatch and Fifa.

- Music

Staff Member: Petros Satrazanis

Location: PK Building

What to Expect: Play an instrument or enjoy singing? Then join the BH Band. The band focus on integrating the different instruments students can play with different styles and themes of music. Whilst the band naturally suits those that already play instruments, beginners are welcome to join.

- Robotics Club

Staff Member: William Roberts

Location: College House 7 & 8

What to Expect: Using Python or block coding we will build robots and other similar projects using the Raspberry Pi and BBC Microbit. We will start with simple robots programmed to follow lines and can work our way up to more advanced projects wherever your interests take you! Suitable for everyone, not just Computer Science students.

- Sports

Staff Member: Clare Kaletha, Jose Vazquez, Ruby Kaur & Lorin Tannock

Location: Meet in the Workroom

What to Expect: A variety of sports will be offered throughout the term. If you have any suggestions for new sports to be included, speak up!

- Student Magazine

Staff Member: Amer Altaher

Location: B2

What to Expect: The purpose of this club is to help you develop a set of transferable skills that you can add to your CV and future university and job applications. In this club, you will learn the value of teamwork, learn more about your personal strengths and motivation, resourcefulness, organisation, and how to think differently. The skills developed will include professional and journalistic writing, summarising information, interviewing people, photography, editing, and collecting and organising news entries, in addition to improving your utilization of presentation software and digital platforms.

- Yearbook

Staff Member: Margo Georgiev

Location: B2

What to Expect: Yearbooks promote a sense of school pride and unity and gives a means of remembering your time at school in the years to come. Margo will bring his Brooke House yearbooks from years ago. Work together to collate photos, articles, funny stories and more from fellow students and members of staff to create a world class yearbook for 2021 – 2022.
