

INTRODUCTION TO ASSISTIVE TECHNOLOGY

7 Weeks: March 23 to May 11, 2022
20 Inservice Points & SWD Credit

This Professional Development Alternative (PDA) facilitated course enables educators to develop, increase and demonstrate knowledge about assistive technology devices and services and the process of helping students with disabilities select, obtain, and use assistive technology. Content includes information about the impact of identified areas of disability including vision, auditory, physical, communication, intellectual, and cognitive processing and how assistive technology devices and services provide support. This course also fulfills the 20 hour SWD requirement for recertification.

There are two mandatory Zoom meetings, with self-paced coursework between meetings.
