

Trainee : Business Services Department in a firm of Chartered Accountants

Location: Rugby

Who are we looking for

We are looking to recruit a school leaver to join our and Business Services team in Rugby.

You will be ambitious with a desire to build a successful career within the accountancy profession.

We are looking for applications from a school leaver with a strong academic record; you will have at least three A-level passes (or predicted) of at least a C grade (level 5) in any subjects.

In addition, we are looking for individuals with accomplished communications skills and financial reasoning who have the potential to think commercially and add value to advice beyond the numbers.

What you will be doing Business Services

Our Business Services team provides compliance and advisory services from Bookkeeping and Accounts preparation through to general business advice to a wide range of owner managed businesses, including Sole Traders, Partnerships and Limited companies.

You will work on a range of corporate and business clients to ensure all compliance deadlines are met. This will involve working as part of a team and liaising with clients.

What we offer

We are a forward thinking accountancy firm with ambitious future plans; our aim is for you to grow with us. Due to our size we are able to offer you the opportunity to work closely with senior team members and interact with clients from early on in your career; this is invaluable experience that may not be available at a larger firm of accountants.

In addition to a competitive salary, bonus scheme and flexible benefits package, we will offer study support towards gaining your AAT qualification and then processing onto the ACA qualification in the future.
