

## **COOKIES POLICY**

### **I. GENERAL CONSIDERATION**

INSTITUTO EDUCACIONAL FRANKLIN DELANO ROOSEVELT ("Roosevelt School") respects and complies with the Peruvian Law of Protection of Personal Data and its regulations (hereinafter, the "Regulation of Personal Data"), and through this document informs personal data holders about the Cookies Policy applicable to the website <https://www.amersol.edu.pe/>

For this purpose, visitors must know that cookies are small text files stored in the browsers, that let Roosevelt School or third parties to track the previous usage of the website.

### **II. CONSENT TO USE OF INFORMATION**

In compliance with the Regulation of Personal Data, Roosevelt School will consider that visitors of <https://www.amersol.edu.pe/> have adequately provided their consent to the use of cookies when they access to the website and select the checkbox or other similar options buttons when they are asked for their consent and acceptance of this policy

### **III. DATA BASE**

The personal data that Roosevelt School collects through the cookies will be stored in the data base called "Web Contacts" owned by Roosevelt School, domiciled at Las Palmeras Av. 325, La Molina, Lima; and according to the terms of this policy.

### **IV. COOKIES OF THE WEBSITE**

The website <https://www.amersol.edu.pe/> uses first and third parties' cookies, according to the information contained in our [Cookies Notice](#). The personal data holders must read carefully our [Cookies Notice](#) before giving us its personal information.

### **V. STATEMENTS**

Roosevelt School has adopted the technical, organizational, and legal measures established by the Regulation of Personal Data to protect the personal information received through its cookies. We will maintain the confidentiality of the personal information and prevent access by unauthorized third parties, even after the end of the website navigation experience.

If the personal information is transferred abroad, we will ensure that the recipient country maintains adequate levels of protection. When this is not possible, we will guarantee that the processing of the personal information complies with the Regulation of Personal Data.

### **VI. CHARACTERISTICS OF THE CONSENT**

Consent to process the personal data provided through functional cookies in accordance with the terms and conditions set in this Cookies Policy is mandatory to ensure the proper functioning of the website.

The acceptance of non-functional cookies (preferences, statistical, social, targeting, and commercial cookies, among others) is not mandatory and require visitor's permission. However, reject the permission would not allow to comply with the purposes detailed in our [Cookies Notice](#).

## **IX. RIGHTS OF THE HOLDER OF PERSONAL DATA**

The holders of personal data may revoke, at any time and free of charge, this authorization and exercise the rights recognized in the Regulation of Personal Data (right of access, right of rectification, right of cancellation, and right of opposition, among others).

For these purposes, it is sufficient to do any of the following:

- To submit a simple letter to Roosevelt School to the address indicated in the introductory part of this Cookies Policy to the attention of Mr. Hernán Carrasco, with the subject "My Personal Data";
- To send an electronic communication to [hcarrasc@amersol.edu.pe](mailto:hcarrasc@amersol.edu.pe); or
- To use any of the forms for the exercise of the right ARCO available at the gates of entry to our establishment.

Similarly, at any time and free of charge, the holder of the personal data could use our [Cookies Notice](#) or his Internet's browser to set the navigation preferences.

## **X. MODIFICATION OF THE COOKIES POLICY**

Colegio Roosevelt may modify the terms and conditions of this Cookies Policy. Therefore, we suggest that visitors read it carefully before accepting the process of his personal information. Should the powers of treatment be increased in favor of our institution, the school will send a communication to ask for a new authorization.
