**DISCIPLINARY – INTERSCHOLASTIC ATHLETICS RULES
AND REGULATIONS**

Students who participate in a school-sponsored trip/activity or who are absent because of an approved educational trip should not be prohibited from participating in an athletic event/practice and should not be removed from the team. Coaches should establish rules/guidelines, in writing, that specify permissible reasons for missing practice or a game. In addition, coaches should also establish, in writing, the penalties that will be imposed for missing practice or a game for reasons that are not permissible. A copy of the rules must be submitted to and approved by the Athletic Director and the High School Principal prior to the first day of practice for that sport.
