	<div style="display: flex; justify-content: space-between;"> <div style="width: 30%;">  <p>Netball Tracey Neville, MBE</p> <p>In 2021, Tracey Neville MBE and Commonwealth Games winning netball coach with the England Roses, was appointed by the current Super League Champions Manchester Thunder as their Performance Operations Director. Tracey was Head Coach of the medal-winning England team at the 2019 World Cup. She had previously led them to an unprecedented Gold Medal at the previous year's Commonwealth Games and Bronze in the 2015 World Cup. She was awarded an MBE for services to Netball.</p> <p><u>Basic Drills & Skills to Improve Technical Development</u></p> <p>Former England Head Coach, Tracey Neville MBE, will present this course of basic drills and skills to improve technical development. The course is aimed at Netball coaches with some experience who are keen to understand strategies and tactics from the modern, elite game. This course will look in detail at the skills and strategies required for success in the game. It will be informed by the tactics of top teams in modern Netball but is equally sensitive to what is realistic for schools. Content includes basic skills and ways of practising them, and simple strategies for team play. Key themes that will be explored throughout the day include:</p> <ol style="list-style-type: none"> 1. Basic drills and skills to improve technical development 2. Working together in attack and defence to develop effective relationships and understanding 3. Bringing the ball through pressure scenarios </div> <div style="width: 30%;">  <p>Leadership Neil Rollings</p> <p>Neil Rollings was Director of Sport in four HMC schools, over a 21 year career. He was an ISI Inspector and he now works with schools to develop and audit modern sports programmes and with Heads to appoint Directors of Sport. He is a regular conference speaker, influential blogger on school sport issues, and Chairman of PADSIS.</p> <p><u>The Director of Sport in Independent Schools</u></p> <p>This popular seminar is intended for current Directors of Sport and those aspiring to these roles in the future. For teachers considering returning to the UK, it also provides an update on the landscape of issues in school sport that are frequently the subject in interviews. The course seeks to classify the success criteria of the role and illustrate which leadership style enables Directors of Sport to achieve more. Key themes throughout the day include:</p> <ol style="list-style-type: none"> 1. Leadership, Culture and Quality Control: The role of Director of Sport will be discussed alongside leadership styles. There will be expertise shared into how the success criteria can be established, whilst also considering leadership strategy, management and administration. This portion of the day will also reflect on culture building, quality control and how to develop an effective structure of working with the Head and how best to manage challenging conversations. 2. Building a Benefit-Driven Programme: Key topics include how we establishing aims and goals with the intention of creating the programme of PE and Games participation and performance. There will also be a discussion centered around winning and how important that really is, whilst also focusing on quality and equality considerations by asking the question: What does "Sport for All" really mean?. Finally, Neil will share his expertise of creating a culture of health and fitness by exploring the impact of exercise on academic progress and how developing personal qualities through physical activity is achieved. </div> <div style="width: 30%;">  <p>Primary PE Lesley Minervini</p> <p>Lesley Minervini has over 25 years of experience working in education and has worked with teachers throughout the world. She has authored many resources and courses including – Start to Move cards, Healthy Movers Take Home Pack. Purposeful Playtimes and PE Underpinning Achievement. She is the tutor trainer for British Athletics officials and officiates in Athletics around the world.</p> <p><u>Primary PE: High Quality Games Teaching for KS2</u></p> <p>This course will enable teachers to analyse and develop the physical and decision-making skills which are essential for the enjoyment and effectiveness of engagement in Games. This will be considered in a developmentally-appropriate manner that takes into account the student profiles in Key Stage 2. The session will also evaluate and explore the variety of ways in which Games is taught, whilst ensuring all of the essential building blocks are in place to help students achieve and do well in Sport. Key themes that will be covered throughout the day include:</p> <ol style="list-style-type: none"> 1. The physical and decision-making skills involved in different types of games 2. Fundamental Movement Skills 3. Pedagogical approaches to the teaching of games 4. STEP Principles to adapt games to include and challenge all students </div> </div>
