

2022 BSD High School Student Survey

The purpose of BSD's Annual Survey is to help the District understand how students feel about their school. To do this, we need your help! A few examples of how your answers matter:

Answers inform the selection of curriculum.

Answers are summarized by school and reported to the School Board.

Principals receive summaries of all the student responses at their school.

Please complete this survey as honestly as possible.

All responses will be kept private, and we are not collecting any personally identifiable information. This survey is voluntary. You may opt out of completing the survey at any time, without penalty.

It is OK to go back and change your answers to a previous question, but you must finish the survey in one sitting.

Thank you for your participation!
