February 2022

Parent/Teacher Conferences

Parent/Teacher conferences will be held on Thursday, February 17, from 1:30 to 9:00 p.m. We will have a two-hour early dismissal that day for all students. **There will be no school for all grades on Friday, February 18.**

Conferences are certainly not necessary for all students, and your child's teacher has indicated if he/she believes a conference is necessary. However, we want you to know that everyone is encouraged to attend conferences.

Remember to mark your calendars for NO school for all students on the following dates:
February 18, 2022
February 21, 2022
Also, on February 17, 2022, there will be a 1:00 p.m. early dismissal for all students.

MAP Testing

Your student has completed their second round of MAP testing. Map Growth scores help teachers check student performance by measuring achievement and growth. Teachers use these results to tailor classroom lessons and set goals for students.

MAP Growth tests are unique and adapt to your child's responses to measure your child's skill level. If your child answers a question correctly, the next question is more

challenging. If they answer incorrectly, the next one is easier. These results provide a more complete picture of what your child knows and is ready to learn-whether it is on, above, or below their grade level.

For more information about MAP Growth, visit NWEA.org/familytoolkit.
