Pre-K & Kindergarten

First Grade

- **David Lucio!** David has been showing such growth in math class. I am so proud of his hard work. Way to go David! ~N. Weibel
- **Jose Sanchez Duenez!** Jose has a great mind for mathematics and brings joy to our classroom with his playful antics as well as the pieces of songs he sometimes sings for us. Our classroom would not be the same without him! ~N. Weibel

Second Grade

- **Merari Ortega Ramirez!** Merari is rocking out her math facts!! She is working very hard on learning her math facts and is enjoying learning them through our new program at school. She is doing an amazing job and I am so proud of her hard work and dedication to learning her math facts. Keep up the great work Merari! ~D. Hubbard
- **Alberto Gutierrez!** During a group project Alberto and his group did an amazing job working together. They all worked together to take turns working on the different areas of the project, they worked together to brainstorm ideas, and in the end turned in a great project that they had all put their ideas into. I am very proud of this group for working so hard together. ~D. Hubbard
