

## K - 6th Art/Art History

Students will gain an understanding of art history and terms as they explore techniques from the earliest prehistoric "cave paintings" to contemporary modern art.

## K - 6th Language Arts

Language Arts class will focus on grade-specific writing skills. Our youngest students will focus on letter, word and sentence formation as well as an introduction to the parts of speech.

## K - 6th Science

Science class will encourage students to become sophisticated young scientists through hypothesizing, observing and experimenting.

## K - 6th Bible

Students will gain an understanding and appreciation for our Creator and His Word.

## K - 6th Music

Students will develop an appreciation of music through learning how to read basic music notation, exploring music history and various musical instruments.

## K - 6th Physical Education

Students will develop coordination through basic warm-up and cool-down techniques, various exercise routines and play a variety of team sports.

## K - 8th Drama - Add on

Libertas LIVE drama will expose your students to different theatrical skills including communication, team building, critical thinking, performance, self-control, and creativity.

# New this year

We are very excited to announce
