

Join The Meemic Foundation and AAA-The Auto Club Group

in showcasing the artistic ability of our students while rewarding your classroom in the process.

Meemic Foundation Club members can sponsor their student's original work focused on one of three safety themes. Up to **52 student winners** will be selected. Sponsoring Foundation Club members of **winning entries will earn a \$300 art supplies grant** for their school. Plus, each **winning student artist will receive an HP Chromebook**.

Any Meemic Foundation Club member can sponsor a K-12 student's original artwork or video reflecting one of these safety themes:

- **Vehicle Safety**
- **Pedestrian Safety**
- **Online Safety**

We strongly recommend students use resources from the Community page of AAA.com to help the students in creating these important vehicle and pedestrian safety messages, as well as the consumer FTC.gov site for online safety guidance.

Visit MeemicFoundation.org/Masterpieces for information on how to apply and to review the complete rules and art guidelines.
