Hello RAHS Families and Community!

A huge congratulations goes out this week to 9th grader **Lily Andrews** who is a **National PTA Reflections Competition Finalist!** Lily has been recognized as the winner in the Dance Choreography division – Outstanding Interpretation - for her performance “Goodbye.” ! Lily is our first ever national recipient from RAHS for this art contest. This is so exciting and we are so proud of you Lily. Thank you also to our outstanding **RAHS PTSA** for this opportunity.

This month marks the celebration of Women’s History Month 2022! We humbly recognize the many women who have fearlessly paved the way in the world to ensure equality and fairness for not only for their fellow women, but for all humankind. In the aviation and aerospace world, numerous women have contributed to opening doors for other females. **Blanche Scott** was thought of as the first women pilot in 1910, when the plane that she was allowed to taxi mysteriously became airborne. One year later, **Harriet Quimby** became the first licensed woman pilot. Throughout World War II, American women took to the skies under the auspices of the Women Airforce Service Pilots, the Civil Air Patrol and through working in aircraft manufacturing companies such as Grumman. Fast forward to 2022 and our own RAHS female students are breaking barriers for more women in STEM careers.

More alumni in the news! Class of 2018 grad **Conner Whitlock** is getting ready to graduate from Rensselaer Polytechnic Institute and has been accepted for Naval Flight School in Pensacola FL to begin training as a Navy pilot! He graduates with a degree in aeronautical engineering. His twin brother **Hunter Whitlock** is a recent graduate from ERAU Prescott with a degree in Aeronautical Science and is pursuing multi-engine commercial flight certification to become an instructor. Way to go alumni!

Have a wonderful week everyone.

Therese Tipton

Students - Are you interested in becoming an **Ambassador for this year's Pathfinder's Black Tie Gala** at the Museum of Flight? We are looking for 60 students who are excited about networking with colleges and industry professionals, interacting with peers, making new connections AND attending a once-in-a-lifetime event. You must be able to attend the Etiquette Dinner after school on Tuesday, April 26, the College Fair after school on Friday, April 29, and the Gala Dinner on Saturday, April 30. Pick up an application in the Career Center or download [here](#). Applications are **due no later than Friday, March 25 by 4:00 p.m.** to Mrs. Olsen or Mrs. Tipton. Students selected will be announced on Friday, April 1.

Students - National Honor Society is accepting applications for new members. NHS focuses on community involvement, gives college and career development opportunities, and makes you stand out as an applicant for college! Fill out this google form to apply for NHS: <https://tinyurl.com/NHSapp22-23>. Students must have a 3.5 GPA or higher to apply. Please complete by **Friday, March 18th**.

Students and Staff – **March Mammal Madness** is coming to our school. Yes, the one, the only animal tournament of champions. 65 Animals battle it out to see who the real champion of the animal kingdom is. Play with the Biology students as they compete for the MMM Trophy, bragging rights, and a prize. **Brackets are due to Ms. Olson by 3:30 pm TOMORROW, March 14th** for the first animal face-off that night.

Out of District Families – Do you live out of the Highline Public Schools boundaries? Then don't forget to fill out your **2022- 2023 Choice Transfer Release**. This needs to be filled out every year. Check here for more information and to fill out your release form: <https://rahs.highlineschools.org/admissions/choice-transfer-release> For questions, please contact Debi Tranholt at: debi.tranholt@highlineschools.org

Students and Staff – This is a reminder about our newly formed RAHS Student Tech Team and how to inquire about help. Our tech team is a group of students who are “on call” and will help with any questions or problems regarding technology. To request help fill out the service ticket: <https://tinyurl.com/RAHS-Tech-Team>

Students – **Phoenix Scholar Society presents SCIENCE HELP on March 17th** during lunch in room 3180. February Math Help was an absolute SUCCESS! Let's make it happen again in March. **Join us Pi Day; March 14th during lunch** to get all your questions answered about **MATH**. Peer tutors will be available on both days to answer your questions.

Students – **Do you need PE credit?** Youth Leadership Adventures (YLA) program is recruiting 9-12th grade students for trips for summer 2022! YLA features introductory summer backpacking and canoe-camping courses. **All application are online, to [apply](#).** They are accepting applications on a rolling basis, depending on the trip applied for. **Session 1 applications due May 2nd.** See their [website](#) for details.

Students - New Academic Help Resource: Check out our new Teacher Support Calendar to see teacher availability before school, at lunch, and after school. <https://tinyurl.com/rahs-support>. Get help with homework, study skills, quiz prep, projects - appointments strongly recommended.

Students - RAHS Activity Bus - The after school activity bus will continue to run Tuesday-Thursday for the rest of the school year, picking up at RAHS at 5:00 and dropping off throughout Highline district boundaries – stick around to check in with teachers, work with project teams, or form study groups. Study help is available in the cafeteria too!

Students - Community Service Hours: Blank forms for logging hours, and a drop box for completed forms, are in the career center. Stop by any time and look for them on the bookshelf. You can also find the electronic form [here](#).

Students - PE Contract reminder: As the COVID pandemic winds down, we will soon revert back to the previous, stricter rules for contracts established by Washington State. Now is the time to start your contract while the looser, easier rules still apply! Go to <https://hsd.instructure.com/enroll/H4ENP3> or see Mr. Sav for help.

Seniors - SAVE THE DATE! Grad Night at the PRO Club in Bellevue, **June 9th**, from 9:45pm to 4:30 am. More details to follow. Please mark your calendars, you don't want to miss the fun!

Juniors: Purdue is sponsoring two RAHS students who are highly capable and passionate about aerospace and aeronautical engineering to attend STEP (Seminar for Top Engineering Prospects) Camp from **July 24-July 30**. Students will learn about the impacts of engineering as they work alongside college students and honors college professors. To qualify for this incredible, all-expenses-paid experience, please write a minimum 500-word essay in which you (1) share your passion and goals for pursuing a college and career pathway in engineering, emphasizing why Purdue Engineering is on your list of possible college choices; (2) highlight classes and experiences that you have already had or are planning to have, that will give you an exceptional foundation for advanced engineering studies; (3) explain what the Purdue experience would mean for you, and what specifically you would like to engage in and learn while there; and (4) add additional information that you believe may enhance your application.

DUE DATE: Friday, March 25th by 2:00 PM to Ms. Carper

The **University of North Dakota's** International Aerospace Camp is a full week of aviation and adventure that will be offered **July 10-15** in Grand Forks, North Dakota, through the highly regarded John. D. Odegard School of Aerospace Sciences. This "college seminar" is similar to attending a week of actual college. Additionally, what makes this seminar unique is the amount of **flight training** each student receives. UND is sponsoring this opportunity for **two RAHS students who will be 16 by the time camp starts** and truly want to experience collegiate aviation. Counselors, flight instructors and professors are all leaders in aerospace education. Instruction will start with the basics of flying (which some of you may already know, but a refresher will be a good thing!) and progress to experiencing new and exciting technologies, and exploration of career opportunities in flight, air traffic control, aviation management, and unmanned aircraft systems(UAS). A passion for flight is a must for this particular camp, along with interest in attending UND in the future. To be considered for the UND camp, first read more about UND Aviation at <http://www.aviation.und.edu/currentStudents/AEROCAMP/Default.aspx>. Then do the following: Write an essay of a minimum of 500 words and address: (1) your passion for flight and aviation, along with your goals for pursuing a college and career pathway in aviation as a pilot, air traffic controller, aviation manager, or in the field of unmanned aircraft systems; (2) the experiences you have had related to your goals and the classes you have taken, or will take, that are preparing you for your future; (3) why you are interested in potentially attending UND in the future; and (4) anything further that you believe may enhance your application.

DUE DATE: Friday, March 25th by 2:00PM to Ms. Carper.
