

Dear Parents and Carers 14.3.22

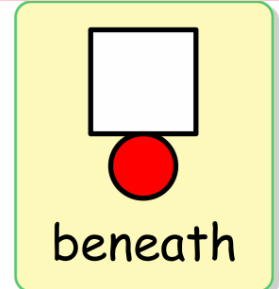

This week we will be exploring the text of *Stomp Stomp Roar*. The children will be talking about what they already know about dinosaurs, we will be making salt dough dinosaur fossils and writing a letter to a Dinosaur.

In maths we will be extending our work on addition and subtraction. We will also be re-visiting capacity.

In PE we are learning to do gymnastics, exploring balances on small and large body parts. We are also developing our climbing and jumping skills using large apparatus.

Words of the week

- This week is Science Week. We will be finding out about fantastic beasts and exploding fountains.
- We have noticed some children are struggling to change for PE by themselves. Please practise turning clothes the right way around, taking off clothes over their head and putting plimsolls on the right feet. Please ensure all clothes are clearly labelled.
- Next Open Session Wednesday 16th March

Rhyme of the Week

Dinosaur, Dinosaur

Phonics- CVCC words

Sink , wind, wink, pond, soft, bump,
dust
