

Dear Parents and Carers 14.03.22

This week we will be reading 'Stomp, Dinosaur, Stomp!', by Margaret Mayo and Alex Ayliffe. This is the perfect text to release our inner dinosaurs! In group times, we will be practicing our best Jurassic movements, and will even be counting our stomps! Throughout the day our child-led provision will see children ordering frozen dinosaurs from smallest to largest and creating a dinosaur themed small world from natural resources.

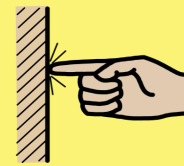

Thank you to all parents who brought in natural resources for our indoor provision.

We are always grateful for these type of resources, so please remember us next time you are having a woodland walk!

Rhyme of the Week- 'Oh do you know the Stegosaurus' (please find lyrics attached)

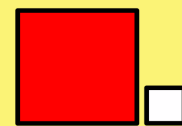

Words of the week

tough
