

Alternative Snack/Celebration Ideas

Class Birthday Book I

Instead of treats, the child brings a special book to add to the class library. The child or the teacher writes who gave the book and what birthday he or she is celebrating on the inside front cover. The child or teacher reads the book to the class (or a favorite part if it is a chapter book).

Birthday Shirt

Send in a plain t-shirt and have class and teachers write Happy Birthday wishes to your child!

Birthday Game

Birthday child gets to choose a game for the whole class to play. For older children the birthday child could lead the game if he or she chooses.

Craft instead of Snack

Send in supplies and directions for a **craft** for the kids to do instead of eating a snack. It is a bonus if the parent comes in to help with the craft.

Birthday Pencil Bouquet!
