Bourne School Committee
Facilities Sub Committee
May 23, 2011

Meeting called to order at 8:10

Members Present: Anne-Marie Siroonian, Catherine Walton
Others Present: Ed Donoghue, Jay O'Hara

Motion: To accept the April 25 minutes as written was made by Catherine and seconded by Anne-Marie. Unanimous approval.

Short Term and Long Term Maintenance Plan: Catherine asked Ed to look to see if their are locks on the girls bathrooms at the high school. Revised maintenance plan reviewed and some priorities have been set. Some of the repairs will be done over the summer. Some of the projects would have to go before Capital Outlay.

Incoming Principal from the High School requested dehumidifiers for lower A wing to reduce moisture issues.

Ed is waiting for additional bids on the high school project. Four companies came for the walk through. Two have withdrawn. Proposals are due at the end of Friday and hoping bids come in under $100,000.00

Peebles: Project will be awarded within the next couple of weeks. Bids are due around the 23rd of June.

Admin: Waiting for specs on window project to get the bid. On schedule to be completed by summer.

Waiting for quotes for gas project.

Future Agenda
Timeline for replacement of Peebles School
Review of High School and Peebles gas project
Review of Windows project.
Update on summer plan

Next Meeting: June 27, 2011 at Administration Building
Meeting adjourned at 9:02am
