Facilities Sub Committee
June 27, 2011
Administration Building

Members Present: Anne-Marie Siroonian, Jay O'Hara
Others Present: Ed Donoghue, Steven Lamarche, John Dobbins

Meeting called to order at 8:10am

Minutes accepted as presented

CCC: presented three proposals. Have not responded to the proposals. Invite Paul Hilton to the September facilities meeting to discuss the lease.

Central Office: bid opening today 2:00pm for the windows. Bid decisions will be recommended Wednesday night.

Peebles: Bid for boiler project. Range was 41,500-68,000. Commercial Industrial boiler. References have been checked. Bid will be awarded Wednesday night.

Bournedale: Few issues with HVAC unit. Replaced a few screws to secure a belt and seems to be working fine. Manufacturer should be called to come and review the unit. Playground Company needs to come and repair a crack in the surface by the slide. Ed will call and confirm when.

BMS: Painting projects going on. HVAC project, company needs to come back out and replace some gaskets. Alarm system will be tested and operational. Snow guards were installed for the solar panels.

BHS: Barnstable County Correctional will come and do some painting projects in the district. Bleacher boards replaced. Upper Cape will be using the football field. Painting involved in office and hallways. Monies left in the door and lock project at the high school. Ed presented a proposal to replace some additional doors in the foyer and gym area; 12 doors altogether. The company that did the original work put together a proposal. Since we already have a contract with the company, this project would be a change order.

Gas Project Update: many bids have gone out. Trying to keep it less than 100,000. Frazier bid 64984 to do just A wing and 75989 to do C wing. Commercial Industrial Boiler Company bid total project for 99,999.00. Awarding bid Wednesday.

MSBA Timeline: must submit a statement of interest with approval votes from school comm and selectmen. Need to go to sc in September and present

the project for approval to begin the process of submitting the letter of intent so that when the process opens at the state level we then can present to selectmen with the letter of intent.

Parking for baseball field proposal.

Caroline Forsburg, a teacher at the Middle School is meeting with Steven today to present a proposal for an outdoor classroom between the middle school and the football field by the Dunbury Memorial Bench. Steven will update us on that proposal.
