Bourne Public School Committee Meeting
Facilities Subcommittee
August 1, 2011

Members Present: Anne-Marie Siroonian, Laura Scena
Others Present: Steven Lamarche, Ed Donoghue, John Dobbins

Meeting called to order at 8:25am

Mrs. Caroline Forseburg and Tony Dunbury presented a preliminary plan for an outdoor classroom behind the Middle School. See attached preliminary plan.
CCC: Ed will email an itemized list of what we have spent from the $10,000 we are contracted to do towards capital improvements. Anything under $1000 the CCC is supposed to take care of. Currently guaranteed five spots with three in tuition reimbursement.
Central Office: Lower bidder protested the bid. Hearing took place and waiting for results from Attorney General. Need a set of stairs off the back deck. Looking for bids from local contractors. New chairs have been bought for central office conference room and current chairs will be recycled to the schools.
Peebles: Contracts were awarded for the boiler project. Start date is third week in August. Possibly a two month project.
Bournedale: HVAC is fine. Surface under slide is repaired.
Bourne Middle School: HVAC in process of fixing it. Replace ceiling tiles. Need a policy on removing textbooks.
Bourne High School: Replace ceiling tiles. Getting quotes on repairing the front steps. Rough quote was 10,000 to 12,000 dollars. Gas project begins next week. Door project is moving forward. Numbering parking lot for students at the high school.
Coady Parking Lot: waiting to receive preliminary plans and response to SC requirements for parking lot that Steven submitted to Mr. Guerino. No response has been forwarded to date.
MSBA: waiting for process date to open.
