Bourne School Committee
Curriculum Sub Committee
October 27,2011

Members Present: Jay O' Hara, Anne-Marie Siroonian, Laura Scena
Others Members Present: Susan Quick
Review of September minutes: accepted as presented

Update on October 7th In-Service: Susan presented a summary of the day and exit ticket review was presented. See attached documentation

CD Team Progress Report: Teams are at different levels of the mapping process. Susan is working with those teams who are coming up against some stumbling blocks.
Professional Development Committee: committee is deciding on what they need to do for future PD. One of the directions they need to move into is anti-bullying in service as well as educating teachers on the new teacher evaluation laws. Susan suggested we look at MARC program for anti-bullying.
DLAP: In third year of Literacy Plan and the Keys to Literacy will be extended to the high school. Susan and some administrators are going to Data Mining meetings to gather information on some of the next steps in using data that is collected on students.
Transition Teams: putting together pre-K, K-1, 4-5, 8-9 teams. Planning on getting the meetings and plans in place by next month. Activity based piece along with the academics that will allow the transition gaps to go smoothly.
Program of Studies at BMS and BHS: will have scheduling impact. Need to look at high school schedule as we did with middle school.
Title 1: Transition will be complete by first week of Nov. (end of first quarter)
