Review and prioritize goals

1. Ensure Leadership models a strong learning environment.
2. Ensure implementation of the DLAP and complete year one of the "Mapping" curriculum plan.
3. Develope a plan for a Full Day Kindergarten
4. Establish a baseline and indentify increased opportunities to use community experience in the schools and student energies and ideas out of the schools.
5. Recycling

Transition Teams: grades 4-5 have met, established student and parent needs, Next step is to develop a viable plan, 8-9 team will meet in December to establish student and parent needs and start developing a plan and determining when to have parent input.
CD Team Update: Co-Facilitators met this week. Not yet ready to share where they are at with mapping. Some teams are just about done. Some are revisiting standards and prioritizing. Planning has begun for January PD. Must address the new Teacher Evaluation process during this In -Service as well as more work on UBD. Steven and Susan will present and update district goals and multi year plan. DLAP will also be a part of it and the next Literacy strategy from that plan.
PD Development: will be working on their rubrics at the High School. Middle School will be working on Program of Studies and the Elementary will be together and share the CD development from October In Service.
Title One Transition Update: Each Title One school will present at school committee meeting. Bournedale lab is up and running and going well. Peebles has two extra Title 1 people working with students. Middle School has tutors in place and services are underway for all Title 1 students. Math piece is a little challenging but working through it. Lab is also running a the middle school with ALEX and Reading Plus.
BHS Program of Studies: Amy is planning to present to school committee on new course recommendations as well as a need for assessing the schedule. Anne-Marie suggested she come to the next sub committee meeting to present to us first before the full committee.
