Bourne School Committee
Policy Sub Committee Meeting
November 25, 2014
Central Office Conference Room

Meeting convened at 6:00pm

Members Present: Matthew Stuck, Mitch McClain, and Anne-Marie Siroonian
Others Present: Donna Beers

Minutes of October 28th were accepted as presented.

Policy DN: Disposal Of Surplus: Committee will recommend approval of this policy at the December School committee meeting.

Policy ADDA:-Background Check: Tabled until further revision from Superintendent and new law requirements.

MASC Policy Revision Program: Anne-Marie spoke with a representative at the MASC joint conference. The cost is approximately ten thousand dollars over the course of three years. A MASC representative will work with closely with the district to determine what policies are in need of revision, what recommendations should be made in retiring policies that are no longer necessary, review policies that are impacted by contracts, as well as policies that are mandated by the state. Matt made a recommendation that we divide our policies into sub groups so that we determine what policies we wish the MASC revision program should tackle and what policies we wish, as a committee, to retain and review ourselves.

JLCCA-E-l and JLCCA-AD-AIDS School Attendance Policy: Health care staff recommends retiring this policy due to it being obsolete as there are standard practices and laws surrounding this policy. Mitch will check MASC on-line for language and/or any existing policies surrounding AIDS attendance and protocol.

Policy JV-Pre n Distribution of Potassium iodine: Some of the language in this policy needs to be edited to reflect filing processes and permission slips.

Policy JLCD-Inoculation of Students: Title needs to be edited (Student Immunization and Vaccination), law needs to be referenced in the policy and procedural language needs to be removed.

Policy JLCB-R – Inoculation Exclusion Procedures: Title needs to be revised, reference law language to be added, need to be informed.

JW – Pediculosis Policy: needs complete revision, reconsider the intent of the policy, Mitch will reach out to MASC for current recommendation on policy, consider impact on learning for all, students are being prevented from returning to school for

an extended period of time in chronic cases, what are the legal responsibilities in providing continuing education in the event a student is out for an extended period of time?

Future Agenda items:

ADDA-Background Check
JLCCA-E-l and JLCCA: AIDS and AIDS School Attendance Policy
JW - Pediculosis Policy
Sub Group Policies for MASC and Policy Sub review

Next Meeting January 27, 2015
Meeting adjourned at 6:54pm
