4	3	2	1
Strongly Agree	⟷		*Strongly Disagree*

5 **The BPSD has an academic environment that promotes learning and self-fulfillment.**

4	3	2	1
Strongly Agree	⟷		*Strongly Disagree*

6 **Youth-oriented community services, such as veterans' services, fine arts shows, elderly programs, mentor opportunities, are needed to strengthen school and community relations. Please list your experiences and suggested examples.**

Please list your experiences and suggested examples:

7 To what extent do the Bourne Public Schools have adequate funding, staff, and resources such as technology, printed materials, etc., to provide a quality education for Bourne children? Please explain what you feel the community should provide to ensure a quality education for students.

8 Circle which one of the following best describes the Bourne Public School District culture.

Culture 1 BPSD is a team which believes the most important elements are concern for others and a shared commitment to student success.

Culture 2 BPSD is a well-oiled machine with focus on precision and operational efficiency.

Culture 3 BPSD is pleasant and action-filled where relationships and organizational status come from contrived or superficial practices.

Culture 4 BPSD is unpredictable, perpetuating tension and stress where people tend to work in isolation or try to escape.

Please explain your selection.

9 Please add any additional comments, suggestions or concerns for the BPSD Adhoc Cultural Committee on the back.
