Summer Math & Reading Activities

For Incoming Grade 4 Students

Every time you complete an activity in a box, write the title or description in that box and mark it with an X. Complete at least 20 activities over the summer! When you return this completed sheet to your teacher by **Friday, September 6th, 2019,** your name will be entered to win a new tablet! Happy Learning!

Record today's date. What is the date three weeks from now?	A book about someone who is different from me	There are 24 hours in a day and 60 minutes in each hour. How many minutes are in a day?	A book about Science	Bourne's population in 2010 was 19,754. Round that number to the greatest place.
A book about a real person	Estimate how many 25s are in 500. Now calculate the exact amount.	A book that teaches you how to do something	Solve 37+178+228=	A book of poems
Practice your multiplication facts.	A book that teaches me about a place	Find the sum of the ages of the people living in your house.	A book that made me laugh	Practice your division facts
A book about friendship	If you bought an ice cream cone for $1.35, how much change would you get back from $5.00?	A book that has won an award	You have 2 quarters, 3 dimes, a nickel, and 3 pennies, Write the total amount with a dollar sign and decimal point.	A book that is about a movie
Write your full name. What fraction of the letters are vowels?	A book that teaches me about an animal	If you rode your bike ½ mile today and ¼ mile yesterday, which day did you ride farther?	A book about an event in history	Measure the length and width of your bed and calculate the area in feet.
