

Candidate Scoring Grid Matrix **SAMPLE**

Question	Points	%	Score (1-10, with 10 being highest) - only fill out this column	Total
1	10	0.1		0
Tell us a little bit about yourself that we wouldn't know from your resume.				
2	10	0.1		0
What motivates you to want to become a board member? How do you feel you would be an asset to the board? Do you have the time/energy to devote to this position?				
3	10	0.1		0
What do you see as the board's roles and responsibilities? What do you think is expected of you as a board member?				
4	10	0.1		0
What is your vision for education in this community?				
5	10	0.1		0
What do you see as the role of the superintendent?				
6	10	0.1		0
Developing an education budget is a challenging and frustrating exercise. It is often difficult to convince people that what is in the budget is indeed necessary to ensure conditions under which excellent student performance and teaching can take place. How should the board determine future budget requirements and on what information should they be based?				
7	10	0.1		0
Board members are not to act individually in a manner that usurps the legitimate functions of the whole board or the management functions of the administration. If a community member comes to you with a complaint, how would you handle that situation?				
8	10	0.1		0
What do you see as challenges facing our school district?				
9	10	0.1		0
At times you may be caught between opposing points of views. There may be a difference between your personal point of view and the policy/law that you're required to uphold. How will you handle this?				
10	10	0.1		0
What questions do you have of us?
