### **Fun Indoor Activities During the Winter!**

There are a lot of great ideas for fun activities when the weather may be snowy or just too cold to stay outside.

Have fun and be creative with some of the fun listed below!

**Balloon Ball:** There are endless ways to play with balloons indoors. Try to keep it off the ground or just play catch. Mix it up with [balloon tennis!](#)

**Scavenger hunt:** Write up clues and hide them around the apartment. Kids can race to find each clue for a small prize at the end.

**Bubble wrap attack:** If you get bubble wrap in the mail, jump on it until it's all popped.

**Clean-up race:** Set a timer or put on a song to see who can right the room the fastest.

**Tickle tag:** Chase your children. When you catch them, it's tickle time!

**Winter Discovery Bottle:** Grab a water bottle, some glitter, and small items such as beads or foam snowflakes. Fill with water with a little room at the top for some movement. Glue cap on so water does spill out and enjoy shaking it up to find the pieces and enjoy the wintery wonder you've created!
