ADMISSION OF EXCHANGE STUDENTS

The Bourne School Committee shall approve up to the maximum of two foreign exchange students per year to be enrolled in Bourne High School. The sponsoring agency shall be among those recognized by the Massachusetts Department of Education.

The students shall be recommended to the School Committee by the Superintendent of Schools based on the proposal of the high school administration. No student shall be recommended without the high school administration having pertinent background information to include transcripts, health records, and the name of the host family.

Requests for School Committee approval shall be made to the Superintendent of Schools in a timely manner so that such a request may be granted by the School Committee prior to school beginning in September.

Upon approval, the Bourne High School Guidance Department shall enroll the student(s).
