HAZING

The Bourne School Committee recognizes the right of all students to participate through competition or open admission in clubs, activities, and sports programs. The Committee prohibits the practice of "hazing".

The follow statue of the Commonwealth is required to be included and followed by each school in its student handbook and rules and regulations.

CH. 269, S.17. CRIME OF HAZING; DEFINITION; PENALTY

Whoever is a principal organizer or participant in the crime of hazing as defined herein shall be punished by a fine of not more than three thousand dollars or by imprisonment in a house of correction for not more than one year, or by both such fine and imprisonment.

The term "hazing" as used in this section and in sections eighteen and nineteen shall mean any conduct or method of initiation into any student organization, whether on public or private property, which willfully or recklessly endangers the physical or mental health of any student or other person. Such conduct shall include whipping, beating, branding, forced calisthenics, exposure to the weather, forced consumption of any food, liquor, beverage, drug or other substance, or any other brutal treatment or forced physical activity which is likely to adversely affect the physical health or safety of any such student or other person, or which subjects such student or other person to extreme mental stress, including extended deprivation of sleep or rest or extended isolation. Notwithstanding any other provisions of this section to be contrary, consent shall not be available as a defense to any prosecution under this action.

CH. 269, S. 18. DUTY TO REPORT HAZING

Whoever knows that another person is the victim of hazing as defined in section seventeen and is at the scene of such crime shall, to the extent that such person can do so without danger or peril to him/herself or others, report such crime to an appropriate law enforcement official as soon as reasonably practicable. Whoever fails to report such crime shall be punished by a fine of not more than one thousand dollars.

CH. 269, S. 19. HAZING STATUTES TO BE PROVIDED; STATEMENT OF COMPLIANCE AND DISCIPLINE POLICY REQUIRED

Each secondary school and each public and private school or college shall issue to every group or organization under its authority or operating on or in conjunction with its campus or school, and to every member, plebe, pledge, or applicant for membership in such group or organization, a copy of this section and sections seventeen and eighteen. An officer of each such group or organization and each individual receiving a copy of said sections seventeen and eighteen shall sign an acknowledgment stating that such group, organization, or individual has received a copy of said sections seventeen and eighteen.

Each secondary school and each public or private school or college shall file, at least annually, a report with the regents of higher education and, in the case of secondary schools, the Board of Education, certifying that such institution has complied with the provisions of this section and also certifying that said school has adopted a disciplinary policy with regards to the organizers and participants of hazing. The Board of Regents and, in the case of secondary schools, the Board of Education shall promulgate regulations governing the content and frequency of such reports, and shall forthwith report to the attorney general any such institution which fails to make such a report.

In addition to penalties described in Chapter 269, Section 17, the following administrative action will be taken:

1. Any student who is present at a hazing and fails to report the incident may be suspended from all extracurricular activities for a period of time and may receive additional disciplinary action.
2. Any individual who is found guilty of hazing will be excluded from all extracurricular activities for a period of time and may be suspended or recommended for expulsion from school.
3. Under Chapter 269, Section 18, of the General Laws, any employee of the Bourne Public Schools who is present at a hazing or has knowledge that a hazing incident has taken place and fails to report such incident to his/her immediate supervisor will be subject to administrative disciplinary action which could include reprimand, suspension, or dismissal.

The Bourne Public Schools will certify and file on an annual basis with the State Department of Education that the requirements of the law have been met.
