Members of the Boards of Selectmen and Finance
Town of Woodbridge
11 Meetinghouse Lane
Woodbridge, CT 06525

Dear Board Members:

Based on your feedback on January 25, and three hours of subsequent discussion by the Woodbridge Board of Education, please find enclosed a revised FY23 operating budget request. This proposed budget of \$16,994,370 represents a net increase of \$1,432,750, or 9.21%, over the current budget, and was approved by the Woodbridge Board of Education at its Special Meeting earlier today.

As part of this revision, the Board requests the addition to our FY23 capital budget request of \$53,600 for the three projects moved from our operating budget request, as well of \$40,000 for the Beecher Road School oil tank remediation project.

Although further operating budget reductions were discussed by the Board in great detail, they could not be supported. The children of Woodbridge, and the staff of our District, require the investments we have proposed.

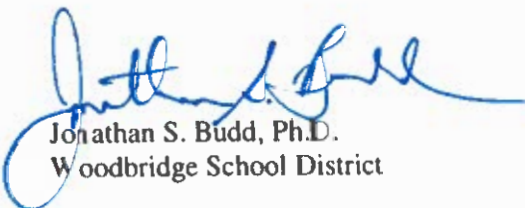

The mandates of public education are articulated in the Constitution of the State of Connecticut, are governed by state and federal statutes, and must be met. Continued reductions to our proposed operating budget will risk:

- Class size increases beyond the research-based guidelines that have allowed generations of Woodbridge children to excel;
- Programmatic reductions in the arts, gifted servicing, library media, and/or STEAM; and/or
- Reductions in teacher and teachers' assistant support for general education students to attain grade-level standards in literacy and mathematics.

The members of the Woodbridge Board of Education cannot support further reductions.

Please do not hesitate to contact either of us with any questions or requests for additional information: (203) 387-6631 / jbudd@woodbridgeps.org / lpiascyk@woodbridgeps.org.

Sincerely,

Jonathan S. Budd, Ph.D.
