

Memories Matter: 2021-22 Yearbook

Warm Wishes and Love Notes

Order Instructions

Designed by kids for kids. In the extracurricular Yearbook program, students learn to interview students and teachers, create, save, and edit documents, take candid photos of the classroom and pull it all together in a memorable printed keepsake available the last week of school.

Beloved components of the Yearbook are the Warm Wishes and Love Notes. Family and friends place these ads and messages to share a long-lasting thank you note, words of encouragement or other special messages to a favorite student, teacher, or volunteer.

Jasmine, Your love and enthusiasm for life and learning is infectious.
