

UP TO DATE NEWS ON CLUBS

COMMERCIAL CLUB

The Commercial Club has been studying etiquette in introductions in its last meetings. However they have not neglected the artistic typing, which proved to be so attractive.

Recently five new members, formerly Sr. High Girl Reserves, have joined this club.

JUNIOR GIRL RESERVES

At recent meetings of the Junior Girl Reserves they have been dancing, singing and playing games. In future meetings they are planning to discuss hair styles. Demonstrations will be shown on how to set the hair.

CHATTERS FROM THE MUSIC CLUB

The music club seems to be spending most of their time preparing for an assembly program in May. The club has recently gotten some of the "Fred Waring" numbers which they are learning to sing. Some of the members are being taught to direct music which will be used on their program.

LATIN HIGHLIGHTS

The Latin students of the tenth grade have made several posters which are displayed in center stage. These posters are made up of pictures, which the students have cut out of magazines, and a story written in Latin about each picture. These stories were composed and translated into Latin by the students.

FRENCH STUDENTS BUSY MAKING POSTERS

The twelfth grade French class has made some French posters about the different parts of the body. They are pictures of people accompanied by a description of some part of the body in French.

SR. G. R.'s DISBAND

The Senior High Girl Reserves has been discontinued because of the small membership. Five of the members joined the Commercial Club and three have joined the Camera Club.

JANITORS KEEP THE SCHOOL CLEAN, LET'S HELP THEM

Here before you are our two janitors, Mr. Eckman and Mr. Eshleman. We're sure we all appreciate their help in keeping our school clean. They not only clean it after a school day but after basketball games and other activities as well. Let's try to help lessen their tasks.

SOPHOMORES PRESENT MODERN LIFE

A fanfare of trumpets, a swishing curtain and two stately pagers (Virginia Reed and Stanley Lahr) announced the Sophomore Assembly program. The first number was a trumpet solo by Herr Shenk entitled "Levy Athen." Gloria Gove sang the popular songs "Shoo-fly Pie and Apple Pan Dowdy" and "Aren't You Glad You're You."

The main feature was a one act comedy, "High School Daze." Jane Warren (Dolores Taylor) had an answer for every program. By her wise-cracks she soon solved the problem of Gloria's (Jeanette Barely) boy friend. Gloria's knowledge of men and life came from books. Janie and her "kid" brother, Billy (Paul Charles), were just too much for their mother (Anna May Holtzhaur). She couldn't understand modern youth. Furthermore no one seemed to understand Jimmy (Herr Shenk). Janes' hearthrob of the moment or Dan Arnold (Rohrer Witmer) the awkward football player, but Marge Andrews (Shirley Sultzbach) the two-faced high school siren, who tries to put up with Dans clumsy ways.

Helen Herr played an accor-dian solo entitled "Blumenlese Waltzer." The whole class sang three songs, Symphony with Betty Fryberger singing the solo

ENTERTAINMENT WILL BE HELD IN W.L.H.S.

"Alice In Wonderland" will be the special attraction in our school on April 29. This feature is an adaption of Lewis Carroll's famous classic of Alice's memorable visit to Wonderland. The Marionettes are from the original Tony Sarg production. This with Marionette Varieties will make one hour of delightful entertainment. There will be an array of dances, tricks, surprises and circus specialties that will amaze you with their wizardry and delight you with their charm.

This program will be presented by the Kingsland Marionettes and sponsored by the Faculty Assembly committee. In order to sponsor this attraction, students wishing to attend the assembly are asked to pay ten cents.

True Marionettes are puppets or small dolls with loose joints which are operated from above by means of string or wire.

Other assemblies are being planned for next year.

3 NEW STUDENTS COME TO W.L.H.S.

The students of West Lampeter High School wish to welcome the following newcomers to our school:

Elmer Witherow came to Lampeter from Millersville. Elmer formerly had been a pupil at W.L.H.S. during 7th grade and has returned this year; he is now in 8th grade. Elmer is very much interested in baseball and is one of the six managers of our baseball team. His favorite subject is gym; his favorite pastime is participating in sports. So you can see that perhaps Elmer will be a future leader of athletics at W.L.H.S.

Florence Schickel, formerly attended Manheim School. She is in 7th grade. Florence's favorite pastime is reading mystery books, and playing the organ. She likes music and enjoys singing.

Betty Lou Altman, came to W. L. H. S. from York High School. Betty's favorite subject is typing. Her favorite pastime is singing. She likes Carmen Cavillero's piano arrangements. Betty Lou is in the 10th grade.

We hope you will find W.L. H.S. not only interesting but enjoyable. Best of Luck To You.

part, Hubba, Hubba and an original class song which was sung to the tune of Let Me Call You Sweetheart.

STUDENTS PREPARE FOR ANOTHER BIG EVENT -- MINSTREL SHOW APRIL 27

W.L.H.S. INDUCTS NATIONAL HONOR SOCIETY MEMBERS

The West Lampeter High School Chapter of the National Honor Society held its installation services March 15, 1946, in the form of a candle lighting program. The lighting of the candles was used to explain the four objectives of the Honor Society.

These points are used in selecting new members:-Character; Scholarship; Leadership; and Service. Dan Mack and Marty Meck, former members welcomed the new ones into the Society. Both new and old members were participants in the program. The new members are Barbara Blessing, Robert Breneman, and Marian Meck, from the senior class and Doris Mylin and Nancy Witmer, from the junior class. Dan administered the pledge for the new members and presented each one with a certificate, membership card, and pin.

Mr. Adams stressed the importance of the Honor Society and introduced the guest speaker, Dr. Henry G. Bucher, Dean of the E-Town College and Professor of Secondary Education. Dr. Bucher addressed the student body on "Honor."

The orchestra concert and band minstrel will again be presented in our school this year. This big event will be on April 27. It will be interesting to every person that comes and will be as successful as last year if not better.

The orchestra has been working hard on the big number of the evening, Rochmaninoff's "Second Piano Concerto." With this, popular patriotic songs like The Marines Hymn, classical selections, hymns and a March will constitute the musical selections.

At the beginning of the band Minstrel the drums are playing their solo and the band goes right into America while the drum majorettes come out and show their talent. All the wise cracks in this side splitting comedy will be given by the following black face men:

Emmett Beamesderfer — Interlocutor.

Bill Worman — Snowflakes

Dick Hess — Hambone

David Hackett — Mayonnaise

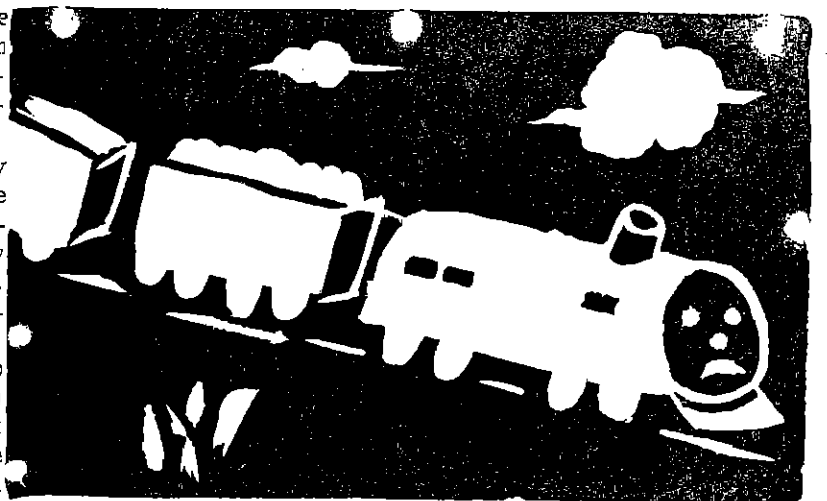

Dale Campbell — Ketchup

Dick Rummel — Measles

Dick Musser — Melancholy

Between band numbers there will be a Singing-Dancing Novelty Trio consisting of Irene Haverstick, Arlene Barley and Patsy Keener.

The money that is made on this show will go toward paying for the new uniforms.

Here is the picture of a train
The engine looks very mad
It is just like us all
Everything irritates us, doesn't it?

The engine is mad because it is late.

(Moral — don't be late for classes — or else, you know)

Of course, we're never mad when we're late
This train is late, because it is a lazy engine.

We are that way, too, but we blame this

Feeling on the spring—it just couldn't be us.

EDITORIAL COMMENTS

APPRECIATION DUE

We doubt if the students have noticed the several changes which have been made in the general appearance of the TIDE through the use of unusual and different kinds of type. We feel that these changes have decidedly been for the better, and wish to extend the credit for these improvements to our new printer and to express our thanks and the appreciation he has taken in the TIDE.

LET'S GET STARTED!

Yes, let's get started on this clean-up campaign and give it some of our best efforts. Everyone knows that the present conditions in the school are a disgrace, not only to the school, but to the pupils.

Every scrap of paper or gum thrown on the floor not only diagnoses our type of character but also that much more of a burden for our already overworked janitors to have to carry. Let's try to remember that that extra step to the waste basket will eliminate some bending and stooping that our janitors must endure. Let's give them a break and also help to clear our own names of some of this guilt. It's clean-up day! Get Busy!

CLEAN-UP CAMPAIGN STARTS IN SCHOOL

Mr. Adams has launched the school on a clean-up campaign designed to give the school a neater appearance and to lighten the heavy load placed on the janitors when the pupils are careless in disposing of paper and rubbish.

This campaign is being carried out in the hope that the pupils will acquire added interest in the general welfare of the school and help to raise its standards of cleanliness and appearance.

The Mer Els were delighted with the grand turnout at the Shamrock Shuffle on March 16. Most of the well-known twosomes—plus a few new ones—were there, and all seemed to have a good time. Most of the faculty were with us, too, and we hope they enjoyed being there as much as we enjoyed having them.

The Girl Reserves want to express their gratitude to each and every one of you who helped to make the dance a success.

PRE-SCHOOL CLINIC IN AUGUST

The West Lampeter Board of Education has again decided to conduct pre-school enrollment. The dates set for this enrollment are August 29-30. The purpose of this project is to determine the mental and physical status of children before they come to school. This knowledge will aid the teacher in planning her year's work. Three different tests will be given; a medical examination, a dental examination, and the mental maturity test. All three tests will be administered and supervised by trained personnel.

At this point, I want to thank the parents, and teachers for their splendid cooperation in making last year's clinic a success. This year we shall take adequate time to the testing program. The conferences and talks given to parents by the people in charge, have proved to be valuable to the parent. This perhaps is one of the most important outcomes of the project. We are endeavoring to learn all that is possible about the children placed under the care of the school.

Children will be admitted to school only if they become six years of age on or before January 31, 1947. Parents are urged to have in readiness the vaccination certificate and the birth certificate.

WORKING WITH CHILDREN IN THE HOME

While we are planning to conduct ways and means of learning about children before they come to school, what happens in the home at this time? The years between two and six are probably the most important in life. This is the period in which habits are formed. The things a child learns to do (and not to do) at this time will have a tremendous influence on his later development.

How should this training be handled? Here the home and the school must exercise a joint responsibility. Between the ages of two and six, parents should strive to work toward the following in their children:

1. Furthering the growth of a strong, healthy body.
2. Improve bodily coordination.
3. Help in oral language.
4. Strengthening emotional health.

5. Cultivating the child's natural curiosity.
6. Developing basic understandings with respect to people, ideas, and objects.

So, before sending the child to school for the first time, the parents can do much to condition that child for a healthy and happy school life. Chronological age does not necessarily determine school readiness. Parents

(Continued on Page 3)

EASTER BRINGS SPRING FASHIONS

Put on your Easter Bonnet with all the frills upon it and your sheerest nylon stockings and you will be the sweetest girl in the Easter Parade. Yes, Easter is coming and with Easter comes Spring. Spring brings new outfits and new ideals.

No matter what the calendar says, our new year really begins at Easter-time. The streams may be ice-bound and fields snow-covered, yet we know that Easter time is spring time for the earth is ready to break open. At no time is there such a keen appetite for new things, such an anticipation of goals to be achieved. Spring is in the air.

Spring is the season which promises happy days to come—sunshine, outdoor sports, trees and flowers, new activities.

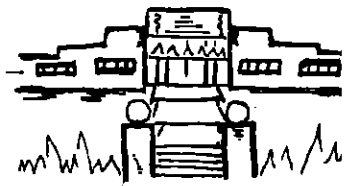

Easter is springtime. It simply couldn't happen at any other season for spring is the season of young things. This will be our first peaceful Easter in five years. Let us keep in mind the sacred meaning of Easter and go to Church Easter morning not just to show off our snazzy outfits, but go there with a prayer on our lips—a prayer of thankfulness, and a prayer for the lasting peace.

How about you? Are you ready for Spring and Easter? Perhaps you need to call upon the wintry earth within you to awaken?

CAN YOU FIND YOUR NAME HERE?

Yesterday, JEAN was invited to a party. When the day arrived she picked a bouquet of FLOWERS to take as a gift and wore a POSEY herself. It was a MYLIN a half to the party and the RHOADS were muddy. She was afraid she would MUSSE dress and when she finally reached the scene of the party, she KREIDER eyes out trying to wash the mud from HERR dress. They played some games and listened to a musical selection composed of REED instruments. The children clapped and sang. They served oysters for supper and all she got was the SHELL. They also had apples and there was a WORMAN hers. After she ate she was definitely KNOTWELL. It is a BLESSING she didn't die. By the time she went home WINTER'S coat had fallen and the ground was covered with snow. She walked over hill and DALE and suddenly she heard a BELL ringing loudly from a GOVE of trees. There stood a cow eating BARLEY in the field. She passed the MILLER and the TAYLOR'S and crossed the little BROOK that ran under the bridge. DE MORA she will be in school feeling fine, (we hope).

SHOULD AULD ACQUAINTANCE

ALUMNI

LT. (jg) WILLIS NOLT '44 better known to most of us "Bill", has recently been transferred from a cargo ship to passenger ship. His ship is now in dry dock in California, where he says he is having a wonderful time. During the year that was overseas he visited Japan, Australia, New Guinea and others.

KENNETH WITMER '43 was married to Janet Horst February 20, 1946 at the First Church of God in Lancaster. After the wedding they went to New York on their wedding trip.

CPL. RICHARD GOODE NAUER '45 . . . is stationed in the Philippines. His job is to take care of the work around tent. Although Dick is not going in weight he is playing basketball for two hours each day which is helping him to keep

SGT. JESSE SHANK '45 is stationed at Fort Sill, Okla. He has recently been promoted to the rank of Sergeant. He is the 1st cook and is in charge of the kitchen at his camp. He says that he gets to see "Red" Mack quite often as he is at the same camp. After being our star basketball player in school, Jesse has found himself a place in the Company team, which has won every game so far. In the evening he works in the theater.

NANCY PICKELL '45 is now working as a clerk at He Book Store.

BLANCHE GROFF '44 is a Cadet Nurse at the Lancaster General Hospital. This is Blanche's second year of training.

HORACE GROFF '43 is now in a hospital in Arkansas. He expects to be discharged sometime this month.

EDITH HUBER '45 is now engaged in secretarial work at Fraim Lock Company.

AMUSING HAPPENINGS FROM THE CLASSROOM

Brilliant Remarks Passed ()

Lloyd Rohrer asked Mrs. Hilton, "Why do you bother to abbreviate a small word like 'rel'?" Mrs. Hilton replied "I don't know I'm not in the business."

Since when is it necessary for Bob Brenneman to use Barbara Blessing's powder puff in his class.

STUDENTS START BASEBALL PRACTICE

Mr. Kauffman and Mr. Federico
Coach

This year there are twenty-one players out for baseball. There hasn't been any team selected up to date, but Mr. Kauffman and Mr. Federico are really trying their best to make a good team. The managers out for baseball are as follows: Ira Sheaffer, Raymond Greer, Jack Holton, James Fetter, and Bob Hess. These boys are anxious to become managers just as well as the players want to play on the team. The following boys are trying out to make our '46 baseball team:

Catchers: Dick Hess and Harold Fisher.

Pitchers: Dick Rummel, Ken Simmons, and Harold Meck.

Infield: Dick Musser, Frank Shaeffer, Jake Sheaffer, David Hackett, and Harold Werner.

Outfield: Clyde Ulmer, Stanley Lahr, Bill Worman, Ralph Rineer, Ronald McFalls, James Hicks, James Dunlap, Walter Rineer, Glenn Kreider, Stewart Rentschler, and Dale Campbell.

BASEBALL SEASON OPENS

West Lampeter lost to Strasburg to drop in the cellar. Harold Werner at the first time at bat hit a hard ball between center and left field for a home-run. But this lead didn't last long on account of errors. Dick Rummel only allowed them five hits to Lampeters 7 hits. The box score is as follows:

W. Lampeter	AB	R	H	O	A
Simmons, rf.	4	1	2	1	0
Hackett, 2b.	2	0	0	0	0
Werner, 3b.	2	1	2	0	1
Hess, c.	4	0	0	5	1
J. Shaeffer, ss.	2	0	0	1	2
Musser, 1b.	3	0	0	13	0
Fisher, cf.	3	0	1	0	0
Dunlay, lf.	3	1	2	0	0
Rummel, p.	3	0	1	1	3
*Herman	1	0	0	0	0
	27	3	8	21	7

Strasburg	AB	R	H	O	A
Metzler, 3b.	4	0	1	1	0
Coyle, c.	3	1	0	1	2
Koch, lf.	4	1	2	0	0
White, cf.	3	0	0	2	0
Shultz, p.	3	0	0	0	0
Foulke, 1b.	4	1	1	8	0
Wertz, ss.	3	1	0	0	1
Work, 2b.	3	1	0	1	2
Hersh, rf.	1	0	1	0	1
Rouss, rf.	3	0	1	2	0
	31	5	6	21	6

*Batted for Hackett in 7th.

Errors: Werner-2, Hess-1, J. Shaeffer-1, Musser-1, Shultz-1. Foulke-1, Work-1. Two Base Hits-Werner: Home-Runs-Werner; Base on Balls of Rummel 3 in 7 innings, off Shultz 4 in 7 innings; Strike outs off Rummel-6, off Shultz-8. Hit by Pitcher by Rummel (Shultz). Losing pitcher Rummel, winning pitcher Shultz. Umpire Dunlap. Time of game 2:50.

MORE INTEREST SHOWED IN VOLLEYBALL

Since the Basketball playoffs have been finished the girls are engaged in playing volleyball now. The cheers and noise that is heard throughout the school in activity period comes mostly from the gym, where the students watch the teams competing with one another. These games bring out the sportsmanship of the pupils and provide entertainment for all.

BENEFIT BRINGS LARGE CROWD

On March 1 and 2, the pupils and faculty of West Lampeter High School presented a benefit show in the gymnasium.

This show was put on for the benefit of the Basketball team. The proceeds will be used to help obtain new uniforms for them next year.

Three outstanding features were Donkey Basketball, Faculty vs. Students in Volleyball, and Boys' Varsity vs. Girls' Varsity in Basketball.

GIRLS WIND UP BASKETBALL SEASON

The Blue and White team of W.L.H.S. tangled in a return game with the East Lampeter girls on the latter court February 27th.

East Lampeter jumped to a quick lead and piled up a four point advantage in the first quarter, and remained on the top throughout the entire game.

High scoring honors went to Philbin of East Lampeter who poured twelve points through the loop and to Lefever who had fourteen of the twenty-one points for West Lampeter.

Mr. Adams Column

(Continued from Page 2)
must work with their children to help develop the proper concepts toward school.

We ask, therefore, your full support and cooperation in helping your pre-school child become better acquainted and adjusted to his new school environment.

Robert L. Adams
Supervising Principal

This year's team consists of the following players:

Dick Hess, Catcher; Dick Rummel, Right-Field and Pitcher; Ken Simmons, Right-Field and Pitcher; Dick Musser, First Base; Davie Hackett, Second Base; Jake Sheaffer, Short-Stop; Harold Werner, Third Base; Jim Dunlap, Left-Field; Harold Fisher, Center-Field; Jim Hicks, Left-Field; Frank Shaeffer, First-Base; Leck Herman, Catcher; Ralph Rineer, Left-Field; Harold Meck, Pitcher.

CLUBS

(Continued from Page 1) LIBRARY CLUB ENJOYS A MOVIE

Clean-Up time

The club is making posters to remind the student body that they are staging a clean-up campaign in the library. They sincerely hope that the idea of a clean school will spread to other rooms. Some of the members also are cutting out and mounting pictures for the picture catalogue.

Two members are assigned for two weeks to take charge of the library bulletin board. A prize for the best display will be given at the close of the contest.

The club saw a movie called **FOUND IN A BOOK** which told them how to use the library correctly. The one boy, who knew how to use the library, soon had his English composition finished for which he received an A. His roommate, not caring to use the library, struggled all afternoon and evening and then failed. The movie was prepared by the American Library Association.

PATROL

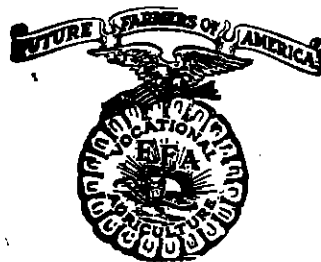

Dick Musser has been elected judge of Patrol Court with the two Lieutenants, Evelyn Groff and Clyde Ulmer, acting as sheriffs. The correct use of Parliamentary Law was discussed.

SEED SERVICE

Learning to Do,

Doing to Learn

Learning to Live

Living to Serve

The Seed Service is practically ended for this year. There are a few seeds that have not been called for. It has been very successful and we hope that it will be even more successful next year.

FRESHMAN AG. BOYS VISIT POULTRY FARM

On March 14, the freshmen took a trip to Roy B. Herr's poultry farm. They learned about poultry management and the care of laying flocks on range. They visited his egg cellar, incubator room, brooder houses and his range.

ADDRESSES LANC. CO POULTRY ASSOCIATION

On March 13, Robert Houser gave a talk on what F. F. A. has done for him in poultry raising and laying flock management. Congratulations Robert, Well Done!

VOCATIONAL NIGHT

The annual "Vocational Night" program was held in the High School on the evening of March 19. The purpose of this event was to stimulate a closer fellowship, to create a greater spirit of good feeling and to enhance community cooperation among all of us.

Raymond Witmer, Willow St. 1, received a plaque and \$75.00 for the most outstanding "Future Farmer of Pennsylvania." Other awards were received by Jacob Houser, Robert Houser, Eugene Groff and Lloyd Rohrer for their achievements in farming.

The F. F. A. quartet sang a few selections. The F. H. A. presented a demonstration concerning foods. Slides were shown on the activities of the F. F. A. and on farming programs. They were explained by Paul Frey, Wade Groff, Lloyd Rohrer and Robert Houser. A short play was presented entitled, "Home Sweet Home." Dr. D. L. Beamsderfer, President of Millersville State Teachers College gave a speech. I am sure he gave us something to think about.

HYBRID CORN DEMONSTRATION PLOT

The corn plot will be on the farm of Robert Hess this year. There will be many different varieties of corn planted. The main object is to see which variety will do best in that section. This is done with the co-operation of Dr. Coons from Penn State College.

F. F. A. DEMONSTRATION TOMATO PLOTS

Robert Houser, Mervin Breneman, Wade Groff, Eugene Groff, Melvin Peifer, Donald Garmen, Lester Wenger and Paul Frey are going to grow tomatoes this year for Campbell's Tomato Seed Company. The main object is to grow better tomatoes from the standpoint of color. Watch these tomatoes color during the summer.

CLASSROOM ACTIVITIES

Fruits—Some of the things we do in class are the study of grafting, pruning and spraying of fruit trees. We are planning to take some trips to orchards to do pruning.

Dairying—We are learning to test milk, balance a dairy ration and the study of dairy barns.

Poultry—We learn the value of buying quality chicks and the value of careful brooding.

F. H. A. GIVES BANQUET

The dairy men of Lancaster County held their annual banquet on February 9 in the high school gym. The 120 men were served by the F. H. A. and a few other girls. With Miss Barr's advice the dinner turned out to be a grand success.

Vocational night was held March 19. This program was designed to show the teachers and parents the purpose of the vocational courses. The program was planned by a committee. It consisted of demonstrations by the boys and girls, some vocal music, a one-act play and a guest speaker.

The girls of the F. H. A. sponsored a covered dish supper in honor of their mothers on February 20 at 7:15 in the school cafeteria. Supper was served to 30 people.

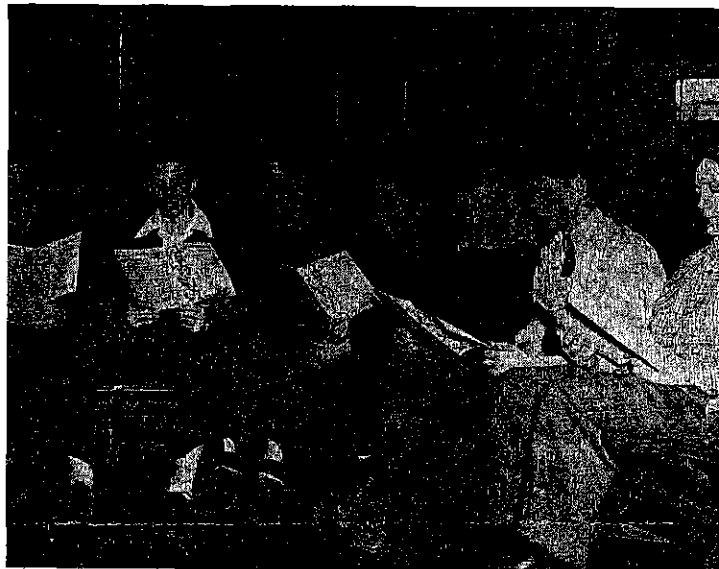

The program planned for the evening, consisted of an accordion solo by Helen Herr, a piano duet by Arlene Landis and Eve Metzler; a poem, "That House by the Side of the Road," read by Ethel Lefever. Mabel Shimp, Arlene Landis, Helen Herr and Evelyn Metzler sang "That Wonderful Mother of Mine."

Doris Neal and Jean Clepsh enjoying a bite to eat.

Dick Rummel posing.

Junior-Senior Boy's Choir

TURN O' THE YEAR

This is the time when bit by bit
The days begin to lengthen
sweet
And every minute gained is joy—
And love stirs in the heart of a
boy.

This is the time the sun, of late
Content to lie abed till eight,
Lifts up betimes his sleepy
head—
And love stirs in the heart of a
maid.

This is the time we dock the
night
Of a whole hour of candlelight;
When song of linnet and thrush
is heard—
And love stirs in the heart of a
bird.

This is the time when sword-
blades green,
With gold and purple damascene,
Pierce the brown erocua-bed a-
row—
And love stirs in a heart I know.
