

KANSAS CITY PUBLIC SCHOOLS

Employee Benefits

Kansas City Public Schools is committed to providing comprehensive benefit programs designed to attract and retain high-quality faculty and staff. Attracting and retaining high-quality employees is key to our success. KCPS offers a wide range of balanced and competitive benefits as part of our employee's total compensation that includes *medical, dental, long and short-term disability, life insurance, retirement plans, Health and Dependent Care Reimbursement Accounts, deferred compensation plans and an Employee Assistance Program*. We support our employees and their families' health through these various insurance options. Our benefits programs are constantly reviewed to identify better ways to deliver world-class benefits. Additionally, we offer generous paid time off, many financial savings opportunities and options that make balancing work and personal life easier.

Kansas City Public Schools is dedicated to providing quality, affordable benefits programs, as well as educating employees and retirees in making wise health care and financial decisions.
