## What you need to know

### Thank you from Staff Appreciation Committee

Hello Centaurus Warrior Families! Thank you for your generous donations in support of our teachers and staff affected by the Marshall Fire. You provided over 90 meals to impacted staff and their families in January and February!

For Parent-Teacher Conferences, you helped to feed over 200 meals to teachers and staff during those long days and evenings. They are VERY appreciative!

Because of your generous donations, the Staff Appreciation committee is working on a plan for in-kind donations to staff impacted by the Marshall Fire.

If you would like to assist with the planning of Teacher Appreciation week in May, there's still time to join the Staff Appreciation Committee. Please email Susan Ogilvie ([ogilvies2016@gmail.com](mailto:ogilvies2016@gmail.com)) or Val Sameshima ([valsameshima@yahoo.com](mailto:valsameshima@yahoo.com)) to express your interest. There are plenty of ways to help that do not require a huge commitment. Join us!

### Amélie - Spring Musical

Centaurus Theatre Company presents Amélie March 9 through 12!

"Amélie is an extraordinary young woman who lives quietly in the world but loudly in her mind. She covertly improvises small but surprising acts of kindness that bring joy and mayhem. But when a chance at love comes her way, Amélie realizes that to find happiness she'll have to risk everything and say what's in her heart. Be inspired by this imaginative dreamer who finds her voice, discovers the power of connection, and sees possibility around every corner."

## Ethnic Studies Curriculum Panel

AVID Juniors at Centaurus High School are working with CU students through the Public Achievement program on social justice issues. We have been focusing on Ethnic Studies in BVSD. Ethnic studies is an educational program that represents different identities, histories, and cultures in the past, present, and future.

Our specific team is working on creating an Ethnic Studies curriculum at Centaurus. This student panel will provide information on an Ethnic Studies course we hope to bring to Centaurus High School in Spring 2023. We have been working with Lynn Gershman who is the Director of Academic Services from the district to implement and develop this curriculum.

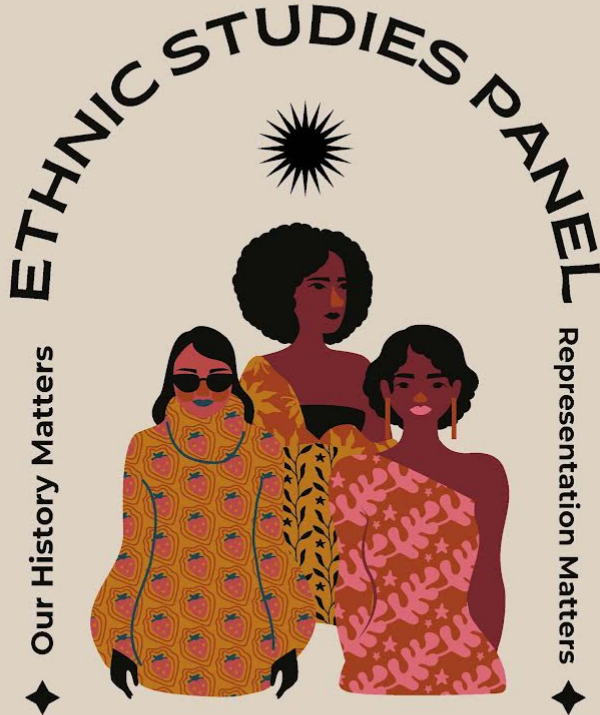

When and Where:

Wednesday, March 16 from 5:30-7:00  
Centaurus Student Center (Fishbowl)

The Ethnic Studies course will support students and provide meaningful and engaging learning opportunities by educating students on cultural diversity and creating an inclusive environment.

*Come support Ethnic Studies at Centaurus by learning more about the program*
