

College Visit Form

Visits must be **pre arranged** with the school you plan to visit before submitting this form. Once your visit is arranged it is encouraged that you reach out to an admissions representative and ask if they would set up a specific visit to a major you are considering. This might include observing a class or talking to a professor. We recommend you make arrangements with the admissions representative 2 weeks in advance. The College Visit Form must be **signed by a parent and returned to the Guidance Office** prior to your visit. The College Visit Verification Form must be **signed by the college and returned to the front office** upon return to school. **Seniors and juniors may take 3 days** throughout the year. **All visits must be prior to May 1**. Taking more than the number of days allotted is allowed for interviews with coaches and scholarship possibilities. Please specify this on this form and include the name of the person conducting the interview.
