We the faculty and student body of the Elmer E. Lyon High, desire to acknowledge and express our appreciation of the following outstanding gifts to our High School during the past year:

To Mr. John H. Haller, for the magnificent clock tower, erected in memory of his mother and father.

To Mr. J. H. Warner, for the beautification of the school grounds in memory of Mrs. J. H. Warner.

To Miss Ruth Warner, for equipping the doctor's office.

To the Lyon Athletic Club Adult Class for the donation of \$60.00 for gymnasium equipment.

To Burns Furniture Store, for their loan of furniture.

To the hospitable people of Covington, who made possible our two basket ball tournaments, by entertaining our boy and girl guests.

To Mr. O. C. Byrd, principal of the Grammar School, for use of the auditorium upon several occasions.

To the generous friends who have loaned cars for transportation of High School boys and girls, to Athletic or Literary events away from Covington.

To the Parent-Teacher Association for financial and social cooperation.

To Alton E. Smith, recently elected President of Lyon High School Athletic Association for anticipated assistance in building the fence around Lyon Athletic Field.

To friends who have assisted modestly and whose generosity is unknown to us.

"One little year and so much gone
And yet the flow of time
Moves smoothly on"
