Beech Homework

Spring 2

Dear parents / carers,

If possible, I would like the children to complete any 3 pieces of homework before the end of term. I must say that I was very impressed with the standard of homework that was handed in to me last half-term. It varied from beautifully neat pieces of writing to amazing 3D models and it was lovely to see how proud the children were of the lovely work that they had produced at home. Well done everyone!

Kind regards,

Miss Baillie
