Newsletter 3/7-3/11

Hello community,

Just a reminder that there is no school for students on Friday, 3/11. This is an Inservice Day for Teachers. Enjoy your long weekend! You may see our teachers out in the community during the day as the focus is Wellness!

Daylight Savings this weekend! Don't forget to "Spring ahead".

Tubing

Thank you Ascutney Outdoors, Annalise Ennis, Julia Zalesak, and Amanda Yate (Jim Yates too) for helping to make our Friday a fun and memorable community activity!

ABS has found a new mascot! For a very long time, we were the Marauders- you may not know this because we were not looking to highlight and bring attention to what that represented. Last year our school embarked on a democratic process, led by our place based leader, Adam Justice. The students identified possible mascots from what we might actually see outside in our backyards and then the students voted. We've recently received our artistic rendition!

To purchase t-shirts, sweatshirts and other ideas with our mascot on it, you can go to the following link. Money from every purchase goes to the school!

Fun fox fact:

1) A group of foxes is called a *skulk* or *leash*

Summer Camps: There are a lot of options this year when it comes to summer camp programs in our area. Check out this ongoing document that has a variety of camps in the area put together by teachers and staff members. Feel free to touch base with your child's teacher if you want any recommendations on what camps/programs your child could potentially be successful in. [Summer Camps 2022](#)

For the week ending today we have not learned of any new positive covid cases at our school. We continue to appreciate everyone's support and careful choices to keep our school community healthy.
