

CARROLL SCHOOL WE'RE HIRING

www.carrollschool.org/hireme

Our teachers are motivated by helping students attain a strong sense of identity, self-worth, and who are eager to equip students with the skills and strategies for academic success. We do this by:

- Embracing & applying culturally responsive teaching practices
- Giving teachers the tools, support, and professional trainings to mobilize them to give each student what they need to succeed
- Educating the whole child

Thank you to each and every member of the Carroll Staff for being who you are and doing all that you do for the community at large. We fully believe that our daughters are able to grow into who they truly are because of the community that you maintain for them to learn and grow in.
