

HOUSEHOLD VERIFICATION FORM

The Southern Local School District is offering a new tool for parents this school year called Parent Portal. This tool will allow you to check your child's progress in school regularly or correct any incorrect contact information we may have for you.

If you would like access to the Parent Portal for your child/children please complete the information sheet below, save to your computer and return it via email to the school so an account can be created for you. After submitting this form you will receive an email with your personal activation key and directions on how to access the Parent Portal.
