Community Council
Meeting Minutes

Attendance: Maria Allred, Shannon Davenport, (first name) Rudolph, Darin Nash, Brenda Glead, Kristen Copeland

1. Shannon Davenport called the meeting to order
2. Community garden: The school district has agreed and paid for an expansion to a project that began 3 years ago with Mrs. Scott-Ellis and Mrs. Eskelson's community garden. This has resulted in a space dedicated for a large garden next to the school playground. 8 galvanized beds have been placed in a gated area, surrounded with mulch. The school is going to work with the teachers to create goals for the school garden. The school is also, working to create a plan for gathering volunteers to help over the summer with the watering of the garden.
3. Teacher and Student Success Plan (TSSP): The goals required for the TSSP plan is due on 4/9/2022. The school is in the process getting feedback for the goals from the teacher committee. There will be a solid presentation of the goals at the next community council meeting. The TSSP is required to provide math and reading goals. There will be a focus on the math goals to address the school wide struggle in this area.
4. Misc. discussion: There was a discussion on the purpose of the math curriculum and possibly finding ways to providing more explanation to the parents so that they can provide support to their children. The school is still in the planning stage of a literacy or math type of evening for the families at the school.
5. Shannon Davenport called to adjourn the meeting with Brenda Glead seconding the motion.
