Park Hill Junior School Council Fundraising for Brain Tumour Research

Dear Parent/Carer,

This term, the school council has decided to fundraise for **Brain Tumour Research, Friday 25th March 2022**. Their exciting discoveries could help combat paediatric brain tumours, 'starving' cancer cells to prevent tumour growth in children. Their vision aims to discover more about the origins of brain tumours, identify mutations, repurpose existing drugs to increase medical options and find ways to determine strategies to implement personalised treatment plans.

Brain tumours kill more children and adults under 40 than any other cancer, according to their website only 1% of national spend on cancer is allocated to this devastating disease.

On Friday 25th March the school council would like the children to come to school in hats - big, brightly coloured and decorated!

We also plan to create and decorate some hats in school for children who wish to do so, on Thursday 24th March.

We ask for a voluntary fundraising contribution of £1 per family please and contributions can be made through parent-pay.

We must commend the children for their continued care and support towards raising funds over the years for different charities.

'Help us help them in their vision to find a cure.'

Thank you for your continued support and generosity.

Yours sincerely,

Beatrice Gilpin

Learning Support Assistant (with responsibility for the School Council)
