CHIP NOTICE

PREMIUM ASSISTANCE UNDER MEDICAID AND THE CHILDREN'S HEALTH INSURANCE PROGRAM (CHIP)

If you or your children are eligible for Medicaid or CHIP and you're eligible for health coverage from Lewis Central Community School District your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed on the following page, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office, dial **1-877-KIDS NOW**, or visit www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a "special enrollment" opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call **1-866-444-EBSA (3272)**.

If you live in one of the States listed on the following page, you may be eligible for assistance paying your employer health plan premiums. The list of States is current as of January 31, 2020. Contact your State for further information on eligibility.

To see if any other states have added a premium assistance program since January 31, 2020, or for more information on special enrollment rights, contact either:

Understanding Your EAP Benefits

EFR is dedicated to helping people manage life's challenges so they can reach their full potential.

When should I call the EAP?

Call **800-327-4692** whenever you are experiencing one of life's challenges. We are available 24/7/365.

What happens when I call?

A master's level counselor will answer your call and is available to talk with you about your issues, concerns, or struggles.

The counselor will gather demographic information and help you connect with an EAP counselor.

What happens when I see the EAP counselor?

- The master's level EAP counselor will listen to your concerns.
- The counselor will also help you explore other areas of your life to assess for strengths and supports, or factors contributing to your presenting issue or concern.
- The counselor will meet with you up to **3 sessions** to complete a comprehensive assessment of your current circumstances and work with you to establish a plan.

Options for EAP sessions include:

- Assessment completed and remaining sessions are used for brief counseling and problem resolution.
- Assessment completed and a referral is recommended for services that fall outside the scope of EAP services.

Common Questions

Can I use the EAP more than once a year?

- Yes, but each time you use the EAP, the counselor will be assessing your current life circumstances. You will be eligible for a new set of **3 sessions** if your circumstances have changed, or in 12 months, whichever comes first.

What is a new set of circumstances?

- A new development in your life that has changed since your last EAP assessment, such as death of a loved one, a breakup/divorce, or job loss/layoff.

Why can't I use the EAP more often?

- EAP is an assessment, referral, and brief counseling model to help employees manage a wide variety of personal issues, but is not intended to replace therapy, treatment, or ongoing counseling.

HIPAA SPECIAL ENROLLMENT NOTICE

This notice is being provided to ensure that you understand your right to apply for group health insurance coverage. You should read this notice even if you plan to waive coverage at this time.

Loss of Other Coverage (including Medicaid and State Child Health Coverage)

If you are declining coverage for yourself or your dependents (including spouse) because of other health insurance or group health plan coverage, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing toward your or your dependents' other coverage). However, you must request enrollment within 30 days after you or your dependents' other coverage ends (or after the employer stops contributing toward the other coverage). Some plans may allow longer than 30 days, so please refer to your plan documents for your specific plan details.

Example: You waived coverage because you were covered under a plan offered by your spouse's employer. Your spouse terminates employment. If you notify your employer within 30 days of the date coverage ends, you and your eligible dependents may apply for coverage under this health plan.

Marriage, Birth, or Adoption

If you have a new dependent as a result of marriage, birth, adoption or placement for adoption, you may be able to enroll yourself and your dependents. However, you must request enrollment within 30 days after the marriage, birth, or placement for adoption. Some plans may allow longer than 30 days, so please refer to your plan documents for your specific plan details.

Example: When you were hired, you were single and chose not to elect health insurance benefits. One year later, you marry. You and your eligible dependents are entitled to enroll in this group health plan. However, you must apply within 30 days from the date of your marriage.

Medicaid or State Child Health Coverage

If you or your dependents lose eligibility for coverage under Medicaid or State Child Health Coverage Program (CHIP) or become eligible for a premium assistance subsidy under Medicaid or CHIP, you may be able to enroll yourself and your dependents. You must request enrollment within 60 days of the loss of Medicaid or CHIP or the determination of eligibility for a premium assistance subsidy.

Example: When you were hired, your children received health coverage under CHIP and you did not enroll them in this health plan. Because of changes in your income, your children are no longer eligible for CHIP coverage. You may enroll them in this group health plan if you apply within 60 days of the date of their loss of CHIP coverage.

WOMEN'S HEALTH & CANCER RIGHTS ACT OF 1998

In October 1998, Congress enacted the Women's Health and Cancer Rights Act of 1998. This notice explains some important provisions of the Act. Please review this information carefully.

As specified in the Women's Health and Cancer Rights Act, a plan participant or beneficiary who elects breast reconstruction in connection with a mastectomy is also entitled to the following benefits:

- Reconstruction of the breast on which the mastectomy was performed;
- Surgery and reconstruction of the other breast to produce a symmetrical appearance; and
- Prosthesis and treatment of physical complications at all stages of the mastectomy, including lymph edemas.

Health plans must determine the manner of coverage in consultation with the attending physician and the patient. Coverage for breast reconstruction and related services may be subject to deductibles and coinsurance amounts that are consistent with those that apply to other benefits under this plan.

NEWBORNS' AND MOTHER'S HEALTH PROTECTION ACT

Group health plans and health insurance issuers generally may not, under federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under federal law, require that a provider obtain authorization from the plan or the insurance issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).

NEW HEALTH INSURANCE MARKETPLACE COVERAGE OPTIONS AND YOUR HEALTH COVERAGE

Beginning in 2014, there is a new way to buy health insurance: the **Health Insurance Marketplace**. To assist you as you evaluate options for you and your family, this notice provides some basic information about the new Marketplace.

What is the Health Insurance Marketplace?

The Marketplace is designed to help you find health insurance that meets your needs and fits your budget. The Marketplace offers "one-stop shopping" to find and compare private health insurance options. You may also be eligible for a new kind of tax credit that lowers your monthly premium right away.

Each year, the open enrollment period for health insurance coverage through the Marketplace runs from Nov. 1 through Dec. 15 of the previous year. After Dec. 15, you can get coverage through the Marketplace only if you qualify for a special enrollment period or are applying for Medicaid or the Children's Health Insurance Program (CHIP).

Can I Save Money on my Health Insurance Premiums in the Marketplace?

You may qualify to save money and lower your monthly premium, but only if your employer does not offer coverage, or offers coverage that doesn't meet certain standards. The savings on your premium that you're eligible for depends on your household income.

Does Employer Health Coverage Affect Eligibility for Premium Savings through the Marketplace?

Yes. If you have an offer of health coverage from your employer that meets certain standards, you will not be eligible for a tax credit through the Marketplace and may wish to enroll in your employer's health plan. However, you may be eligible for a tax credit that lowers your monthly premium or a reduction in certain cost-sharing if your employer does not offer coverage to you at all or does not offer coverage that meets certain standards.

If the cost of a plan from your employer that would cover you (and not any other members of your family) is more than 9.5 percent (as adjusted each year after 2014) of your household income for the year, or if the coverage your employer provides does not meet the "minimum value" standard set by the Affordable Care Act, you may be eligible for a tax credit. (An employer-sponsored health plan meets the "minimum value standard" if the plan's share of the total allowed benefit costs covered by the plan is no less than 60 percent of such costs.)

Note: If you purchase a health plan through the Marketplace instead of accepting health coverage offered by your employer, then you may lose the employer contribution (if any) to the employer-offered coverage. Also, this employer contribution—as well as your employee contribution to employer-offered coverage—is often excluded from income for federal and state income tax purposes. Your payments for coverage through the Marketplace are made on an after-tax basis.

How Can I Get More Information?

For more information about your coverage offered by your employer, please check your summary plan description or contact Jennifer Wright at 712-366-8204.

The Marketplace can help you evaluate your coverage options, including your eligibility for coverage through the Marketplace and its cost. Please visit **HealthCare.gov** for more information, as well as an online application for health insurance coverage and contact information for a Health Insurance Marketplace in your area.
