Dear Parents and Carers,

RE: Class Photographs

We are pleased to advise Azzurro Photo Studio have been booked to take the class photographs on Tuesday 22nd March, 2022.

We have listened to feedback on previous composition and the class photographs for this session will be relaxed but more traditional.

Please ensure your child is in full academy uniform on the day.

Forms will be sent home today for pupils where we have no record of parental photo consent. Please complete and return to the academy by Monday latest. Please be advised any child without consent will not be included in the class photos. Pupils where we have been advised 'No photos allowed' will also not be included in class photos.

Yours sincerely,
