

The Preschool: A Magical Beginning

Davis Waldorf School has two preschools: Lavender and Golden Poppy. Our preschool program is in session from September to early June. We offer a mixed-age preschool (ages 2.5 - 4), welcoming younger children's first venture into school, and preparing older preschoolers for kindergarten. There are 12 children per class. An experienced teacher, with specific Waldorf Early Childhood training, and an assistant teach each class. Preschool children must be toilet trained by the start of school.
