STRASBURG - FRANKLIN TIGER PRIDE

Summer 2017 • Issue 6 www.strasburg.k12.oh.us

Superintendent's Message

Dear Parents and Community Friends,

I hope all of our Tiger families enjoyed a restful and event-filled summer. Many elementary students took advantage of our summer reading programs which will serve them well as they return to school. Finding time to read with your children is a critical piece of the reading process. Something that seems so small provides additional preparations to ensure success in the upcoming school year.

Students will return to classes on **Monday, August 21st**. Our administrative and custodial teams extend an enthusiastic welcome back to all staff and students, as we prepare for the 2017-2018 school year. We expect it to be an exciting year while continuing to focus upon providing the best education possible, for our children.

To help prepare for the new school year, we are introducing several innovative changes:

- Installation of a security door between the cafeteria and the elementary wing
- Final Forms – an online comprehensive student information collection and management system which will replace the paper school forms
- Strasburg Digital Academy (SDA) – to offer online education for Strasburg students
- PBIS (Positive Behavior Interventions & Support) program in the elementary
- Back-to-School Bash for K-12

The **Back-to-School Bash** will be held at the school on August 17th from 4:00 – 7:00 PM. We will have a variety of organizations represented along with food trucks, taste testing opportunities, Final Forms Help Stations, Open House for the elementary, CCP meeting, 6th grade orientation, kid stations, and more. *Be sure to mark your calendars!*

Check out our district website for student handbooks, lunch menus, school supplies, calendars of events, etc. The link is www.strasburg.k12.oh.us

Please remember that my door is always open and I welcome your feedback. Feel free to call, email, or stop in to speak with me. Your thoughts, concerns and perspectives are important to our school district. Working together for children will continue to make our district stronger.

Thank you for entrusting your children to us.

Respectfully,

Mrs. Cindy Brown

Back-to-School Tips for Parents

Starting the new school year can be a time of great excitement... and anxiety. Help calm your child's fears (and your own) with these teacher-approved tips.

Meet the new teacher

For kids, one of the biggest back-to-school fears is "Will I like my new teacher?" Breaking the ice early on is one of the best ways to calm everyone's fears. Take advantage of your school's open house or back-to-school night. Some teachers welcome phone calls or e-mails — another great opportunity to get to know each other before the year begins.

If personal contact with the teacher isn't possible, try locating the teacher's picture on a school website or in a yearbook, so your child can put a name with a face. If your child's teacher sends a welcome letter, be sure to read the letter together.

Tour the school

If your school hosts an open house, be sure to go. Familiarizing your child with her environment will help her avoid a nervous stomach on the first day. Together you can meet her teacher, find her desk, or explore the playground.

With an older child, you might ask him to give you a tour of the school. This will help refresh his memory and yours.

Connect with friends

A familiar friend can make all the difference when heading back to school. You might try calling parents from last year's class and finding out which children are in your child's class this year. Refresh these relationships before school starts by scheduling a play date or a school carpool.

Tool up

Obtain the class supply list and take a special shopping trip with your child. Having the right tools will help him feel prepared. While keeping basic needs in mind, allow for a couple of splurges like a cool notebook or a favorite-colored pen. These simple pleasures make going back to school a lot more fun.

School supply lists also provide great insight into the schoolwork ahead. Get your child excited about upcoming projects by explaining how new supplies might be used. Let him practice using supplies that he's not used before — such as colored pencils or a protractor — so he will be comfortable using them in class.

Avoid last-minute drilling

When it's almost time to stop playing, give a five-minute warning. Giving clear messages to your child is very important.

Chat about today's events and tomorrow's plans

While it is important to support learning throughout the summer, don't spend the last weeks of summer vacation reviewing last year's curriculum. All kids need some down time before the rigors of school begin. For some kids, last-minute drills can heighten anxiety, reminding them of what they've forgotten instead of what they remember.

Ease into the routine

Switching from a summer to a school schedule can be stressful to everyone in the household. Avoid first-day-of-school mayhem by practicing your routine a few days in advance. Set the alarm clock, go through your morning rituals, and get in the car or to the bus stop on time. Routines help children feel comfortable, and establishing a solid school routine will make the first day of school go much smoother.

School Bus Safety Tips to Help Save Your Child's Life

School Bus Safety Rules

1. Do not get on the bus until the driver says it is safe to do so.
2. Ask the driver for help if you drop something while getting on or off the bus.
3. Once on the school bus, go directly to your seat and sit down, facing the front of the bus.
4. When exiting the bus, look around for cars before walking away or crossing the street.
5. Do not wait at the bus stop alone.
6. Use the handrails when getting on and off the bus.
7. If you miss the bus, don't run after it!

According to the NHTSA, riding in a school bus is the safest way for your child to travel to and from school. However, the "danger zone" when approaching or leaving the bus poses the greatest risk for children. They should be especially careful in the area's in front, or on either side of the bus.

Children should also respect the bus driver and follow the rules while riding the bus and stay quietly seated on the ride to school. Here are a few school bus safety tips you can teach your child if he or she will be riding the bus to school this year:

Middle/High School

From the Principal

Greetings,

It is hard to believe that in just a few short weeks the 2017-2018 school year will be upon us. We are excited and optimistic about the upcoming year and look forward to getting things started on Monday, August 21st, as we welcome back our students. Our message this year to the young men and women that we have the opportunity to serve, is to focus on the two things in life that you are in total control of at all times, your **Attitude** and your **Effort**. Legendary coach and executive Pat Riley once said, "If you have a positive attitude and constantly strive to give your best effort, eventually you will overcome your immediate problems and find you are ready for greater challenges." A great effort springs naturally from a great attitude and that is the message we want to try and get across this year to our students.

We will have a new face in the building this year as **Mrs. Becky Sewell** retired at the end of the last year. We would like to thank Mrs. Sewell for her years of service and we wish her nothing but the best with her retirement. We are very excited to welcome **Mrs. Dawn Delcoma** to the Strasburg-Franklin Local School District. Mrs. Delcoma comes to us from the Claymont City School District and will serve in the role of Digital Media Specialist for the 2017-2018 school year.

In an effort to continue to provide our students with the best educational experience possible, we have added some new course offerings for the 2017-2018 school year. We are bringing back the Project Lead The Way program district-wide and all students will have the opportunity to participate in this program. At the middle school level, all seventh grade students will be required to take a Study Skills class and a Digital Media class. At the eighth-grade level, all students will be taking an introductory Spanish and French class along with an additional period of math to help sharpen their skills. On the high school side, we are excited to announce that we will be offering five College Credit Plus classes this year taught by Dr. Ellen Christy and Mrs. Tanya Horne. Botany and zoology have also been added as additional science electives. In addition to our new academic offerings, we have also added a few clubs for the upcoming school year. Fellowship of Christian Athletes & More, Foreign Language, and Youth to Youth are new clubs that students will have the opportunity to participate in. As you can see, there are many great things happening at Strasburg right now. As we move forward, we will continue to evaluate and improve the opportunities offered to the students of the Strasburg Franklin Local School District in the hopes of giving each student the best educational experience possible.

Last year I stated that our greatest, most important initiative is to make sure that we are always "Keeping the Main Thing, the Main Thing," which is our students. This has not changed and will not change. It is important that as educators, parents, and community members we never forget this. We will continue doing what is best for the young men and women that we have the opportunity to serve each day and continue to instill that Tiger P.R.I.D.E. (Personal Responsibility in Developing Excellence) in them. Through a close and collaborative partnership with everyone associated with Strasburg High School and Middle School, I am confident that we can continue to take steps forward and make our school an even better place for students to learn and grow. If you ever have any questions, or if I can be of assistance in any way, please don't hesitate to call me at 330.878.5571 or e-mail me at adam.hall@strasburgtigers.org.

Respectfully,

Adam Hall

May Students of the Month

Louis McGrath and **Landon Schneider** were selected as Strasburg's Students of the Month for May. Every month, a student is selected from the Middle School and High School to receive this honor.

Louis completed his sophomore year at Strasburg and the son of Marc and Janis McGrath. He was nominated by his Spanish teacher, Mrs. Tanya Horne. Louis was a member of the football team and basketball team at Strasburg. In his spare time, Louis enjoys working on cars and riding his bike.

Landon completed his seventh grade year at Strasburg and the son of Bill and Stacy Schneider. He was nominated by his English teacher, Mrs. Sam Raber. Landon participated in basketball at Strasburg. In his spare time, Landon enjoys spending time with his friends and playing the guitar and drums.

Louis and Landon were recognized at the June board meeting.

Attention Parents:

All students entering 7th and 12th grade must have the meningococcal vaccine.

About the Vaccine

- The vaccine protects against meningococcal disease, a serious illness.
 - The disease can cause blindness, loss of limbs, and even death.
 - Teens and young adults are at greater risk of getting the disease.
 - The disease can come on quickly and without warning, with symptoms similar to the flu.
- The vaccine is not new. It has been routinely recommended for over a decade. It is now required for school entry.
- Your child can get the vaccine at the same time as other adolescent vaccines (i.e. Tdap).
- The vaccine is safe and effective.
- If you don't have insurance, the vaccine is available through the Vaccines for Children Program (VFC). Check with your healthcare provider or local health department to see if your child is eligible.

Even kids who have received one dose may need a booster.
Check with your healthcare provider.

For more information, contact the Ohio
Department of Health at 1-800-282-0546 or
visit us online at odh.ohio.gov

All students need
a pair of gym shoes.
These will stay at school.

- ✓ Check student records at school. Is all of the information correct and up-to-date?
- ✓ Travelling To and From School...
 - No matter the mode of transportation, never allow your student to be alone.
 - Plan the safest route to walk or bike.
 - Practice the route several times, teaching your child how to safely cross streets and what to do at an intersection.
 - If your child is a bus rider, discuss safety issues and bus etiquette.
- ✓ Load Up and Lock Up - If you are travelling to and from school with your student, make sure to lock all doors at home before leaving.
- ✓ If your child goes home alone, make sure the rules at home are clearly understood.

From the Principal

Strasburg Elementary to Launch PBIS Program

Strasburg Elementary is proud and pleased to launch its PBIS program this school year. PBIS is the acronym for **Positive Behavioral Interventions and Supports**. It is an approach to instruction and discipline that meets the needs of ALL students.

There are four core expectations, which we refer to as the *Tiger Pledge*: **Strasburg Tigers pledge to be Respectful, Responsible, Safe, and Prepared**. Students will be expected to honor these Core beliefs in all school settings. Students will be reminded of these beliefs through an instructional “boot camp,” banners, signs, and daily announcements.

Positive behavior will be recognized in a variety of ways. These include Monthly “Zero Club” parties, Ten Day Rewards, and Potato Head parties. An informational meeting will be held the evening of September 5th at 7:00 p.m. in the middle school gym for all interested parents.

MYON Reading Program

We were thrilled to see elementary students participate in the summer MYON reading program. Students read books at their independent reading level, then completed CLOZE reading activities and comprehension quizzes. Three Summer time check-ins gave students the chance to play games with friends, enjoy delicious desserts, and receive their reading prizes, including free passes into the drive-in, Tiger t-shirts, and ride cards for Tuscora Park. We are proud of these students for investing in their education and preventing the Summer slide.

I'M SAFE!

You can help keep children safe on the school bus/van.

Teach children these simple steps for safety around a school bus or van.

Don't rush.

Get to the bus stop five minutes early.

Tuck in straps.

Tuck in straps, laces and clothing. Then get on or off the bus.

Stand back.

Stand four giant steps back from the curb. Stand back until the doors open.

Stay out of the danger zone.

Quickly move ten steps away when you get off the bus. (See reverse side.)

Hold on tight.

Use the handrail when going up or down the stairs. Don't push.

Ask for help.

Tell the driver if something falls near or under the bus. Don't pick it up.

Only cross in front.

Never cross behind the bus. Cross at least 10 feet in front of the bus. Don't cross until you can see the driver's face.

Sit quietly.

When you are on the bus, sit down quickly. Talk quietly. Follow bus safety rules.

Your Child is in Safe Hands . . . Yours
