ACADEMY OF OUR LADY OF MERCY

Lauralton Hall

Lauralton Hall is a sponsored ministry of the Institute of the Sisters of Mercy of the Americas and is a member of Mercy Education.

ACADEMY OF OUR LADY OF MERCY, LAURALTON HALL'S MISSION STATEMENT

Inspired by the Mercy Tradition, Lauralton Hall empowers young women to pursue their highest potential through lifelong learning, compassionate service, and responsible leadership in a global society.

Our Core Values are the hallmarks of a Mercy Education. These are the ideals we stand up for and strive to live up to. We hold ourselves to these standards as an institution, as a community and as individuals. Each value is interconnected and necessary as we take Mercy into the world.

CORE VALUES

The Hallmarks of a Mercy Education

THESE ARE THE IDEALS WE STAND UP FOR AND STRIVE TO LIVE UP TO.

WE HOLD OURSELVES TO THESE STANDARDS AS AN INSTITUTION, AS A COMMUNITY AND AS INDIVIDUALS.

Compelled
By Mercy

Mercy students, in the spirit of our founder Catherine McAuley, are steadfastly determined to take Mercy into an interconnected world. Our shared sense of social consciousness is fortified by universal empathy and a conviction that all are worthy of God's mercy. This deep awareness and compassion move us to take principled action and serve the needs of others.

Educational
Courage

Mercy students welcome the challenge of pursuing their full potential in a culture of excellence, critical thinking and curiosity. Their multifaceted journey builds character while it builds essential skills. Our holistic program expects engagement, a thirst for knowledge and personal responsibility, while preparing students to thrive for a lifetime.

Inspired
By Faith

Mercy students become living models of faith and forceful advocates for Gospel values. Grounded in our Catholic identity in the Mercy tradition, we welcome all faiths and are strengthened and shaped by these relationships. As we pursue a personal relationship with God, we strenuously follow Jesus Christ's example of social justice, love and service.

Principled
Leadership

Mercy students are poised to lead with their unique gifts. Prepared with an ethical and moral compass, we put Mercy values into action and work assertively for what is right. We're equipped to make difficult choices, learn from our mistakes and develop high emotional intelligence. As an international community, we're confident in our ability to make a positive difference and push for systemic change.

A Voice For
Dignity and
Respect

Mercy students honor the intrinsic value of the individual and recognize God's presence in each person. We embrace a global vision and value differences of opinion, and are unafraid to confront hostile or hurtful attitudes. By standing up for those who can't, we go beyond acceptance to help make sure everyone feels recognized and heard.
