Happy Spring Break

NO SCHOOL MARCH 21-25

Spring break is quickly approaching and we would like to take this opportunity to thank you for partnering with us to support your student's educational experiences at Parkway. It was wonderful to be able to connect with you during Family Conferences. As we look forward to next week, we hope your family has the opportunity to enjoy a relaxing, safe and fun spring break. – *Dr. Smith*

It's that time of the year when the weather is constantly changing and varying in degrees. I would like to remind families to make sure that the students are dressed appropriately and prepared for

the weather as they have (2) recesses a day and we want to ensure they are able to enjoy them. As families begin to weed through their students' winter gear, please note, we are always looking for winter clothing/boots. If you have any winter clothing that you would like to get rid of, the office staff is accepting donations.

This year Ramadan is from April 2 - May 2, 2022. This is an important time for families who are Muslim. Please fill out this FORM if your child will be fasting and if there is any additional information that you would like us to know. This will help us support your child during this special time.

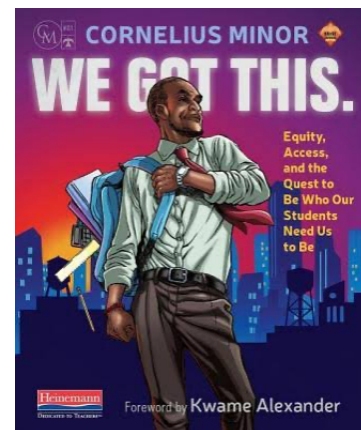

Please note, we realize that the recent change in time can present challenges, but we ask that you plan ahead to ensure your student arrives at school prior to the beginning of classroom instruction. Although classroom instruction begins at 7:50AM., we open our school doors at 7:35AM. If your student is dropped off at Parkway, please make sure your student gets to school on time and is in their classroom setting by 7:50AM. ensuring they don't miss out on the opportunity to both participate and fully enjoy the academic and social experiences.

SAVE THE DATE!

THE SUMMER ACADEMY PROGRAM WILL TAKE PLACE MONDAY-THURSDAY, JUNE 27-JULY 28, 2022. THE REGISTRATION PROCESS WILL BEGIN ON MAY 9TH AND RUN THROUGH MAY 28th.

Parkway's staff are lifelong learners, continuously growing and evolving in our practices. Committed to learning more about equity and inclusive practices, the staff is involved in a collaborative book study. This year, we are reading, Cornelius Minor's We Got This! Equity, Access and the Quest to Be Who Our Students Need Us to Be.

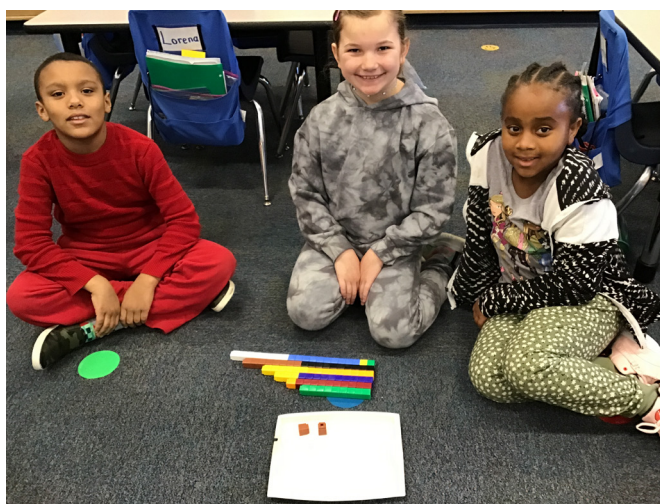

HELPING HANDS MAKE THE DIFFERENCE!

When families pitch in to help our schools, who wins? OUR STUDENTS! If you are interested in volunteering, we would love your help. We appreciate any amount of time you can donate. If you would like more information or are interested in volunteering, our PTO is always searching for additional volunteers. If this is an area of interest for you, please contact Ms. Hinchey at: glendale.riverhills.pto@gmail.com

In an effort to continue to keep our students safe, we ask that families reach out to their student's classroom teacher to inquire about volunteer opportunities. Please note, anyone volunteering in classrooms at Parkway must receive approval from the classroom teacher prior to volunteering. It is also important to note that volunteers must stop in the office to receive a visitor's badge before entering the hallways and classroom spaces. Thanks for following these guidelines as we work together to keep all students safe.

Spotlight: Teaching and Learning

These are photos from a Math Bridges lesson. Students looked at patterns using unifix cubes, pattern blocks, and tiles. Student engineers needed to identify the pattern and extend the sequence. Students had a marvelous time exploring how to build the next sets of shapes. LOTS of big discussion and planning! These lessons also incorporated the use of thinking in multiples, our second graders are looking forward to third grade and to multiplication.

Save the Date

Are your students looking for something fun to do this summer? If so, consider signing them up for this year's Summer Academy program. This program gives students the opportunity to explore fun subjects and interests that they may not be able to during the traditional school year.

Students will attend from 8:30am-12:00pm, taking (4) courses a day. The program will take place in-person at Glen Hills Middle School and will run for (5) consecutive weeks, Monday-Thursday.

We hope your students can attend.
