Anna Price

I am training assistant SENDCO at Bilton school and teach English. I am fairly new to Bilton and absolutely love it here because of all the amazing young people and colleagues that I get to work with!

I enjoy reading, horse riding and (although I moan every time I go) I love fitness training. I have a dog called Mollie who hates mornings- just like me!

Maria Clarke (TA3)

I have been at Bilton for 17 years, I love working with young people and watching them as they go through their journey with us here. The difference from when a student begins their journey in year 7 to when they leave us is amazing and it makes me proud to think that I have supported them in that journey.

I enjoy reading, cooking, travelling, exploring new places and spending time with my family and friends.

Carla Selby (TA3)

I have 2 sons, who are both married, a grandson and a granddaughter, all of whom I love spending time with. I have made some good friends whilst working here. I also have a wide circle of friends who I see often and love a gossip and a laugh with. I enjoy cooking, gardening, travel, the coast, cities and the countryside.

Silva Jackson (TA2)

I have been a Teaching Assistant for over 10 years now. In 2018 I started working for Bilton School, my first job in a Secondary School. In comparison to Primary School I really enjoy the variety of subjects taught in High school and find it very rewarding to be part of the students' journey. In my spare time, I love spending time with my family and friends, travelling to new places, running and walking my dog Cali.

Chloe Edgington (TA1)

I've been working at the school for over a year and this school helped me through 7 years of education. I love this job and how every day is different. It's a great environment to work in and is always so rewarding seeing the progress students make due to my help or even seeing how happy they are knowing I'm there to help.

I'm a huge fan of Japanese culture (specifically anime and manga) and I love watching movies. I also enjoy playing video games and just having some downtime with my boxer dog, Percy and my kitten, Hermes.
