Holmdel Township Board of Education welcomes Superintendent Dr. Scott Cascone

(Holmdel, NJ; March 21, 2022) – Today, the Holmdel Township School District officially welcomed its new Superintendent, Dr. Scott Cascone, on his first day in the position.

After a thorough candidate search, the Holmdel Board of Education chose Dr. Cascone as the District's next Superintendent. Dr. Cascone was most recently the Superintendent of West Orange Public Schools, where he successfully led a 42-member team, managed a \$180 million dollar operating budget in a district with 11 schools, 1,300 employees, and 6,800 students. Prior to this, he served as Executive Director of Academics for the Old Bridge Township Public Schools and was a high school principal at Westwood Regional.

"Today, we begin a new chapter in the history of the Holmdel School District as we welcome our new Superintendent Dr. Scott Cascone," said Elizabeth Urbanski, President of the Holmdel Board of Education.

"Over the last 2½ months Dr. Cascone began to lay the groundwork for a successful tenure, as he's already been meeting and building relationships with members of our administration, staff, parents and students. This is an exciting time for Holmdel Public Schools and we are looking forward to continuing to improve upon the excellent educational opportunities we offer students under Dr. Cascone's leadership."

"On behalf of our entire District, I'd also like to recognize and thank Arthur Howard for stepping in and doing an outstanding job serving as Acting Superintendent during this transition period. Mr. Howard has distinguished himself as a talented school administrator and we are lucky to have him as the Principal at Village School and as a valued member of the Holmdel school community," added Urbanski.
