

ANDY BELOZER MEMORIAL FUND

About the Fund

The Andy Belozer Memorial Fund provides financial support for athletic-related fees for student athletes with financial need. The intent of the fund is to advance the school's commitment to make opportunities accessible for all students regardless of financial means while honoring the legacy of Andy Belozer, a former student of La Salle.

Items available for funding include team meals, summer camps and non-school provided gear, such as practice uniforms, personal equipment and team shoes. Grants are available up to \$175 per athlete per season. Consideration will be evaluated based on demonstrated financial need, the number of requests received, total amount of funds requested and the level of funds available.

How to Apply

To be considered for funding, a request must be submitted online at www.lsprep.org/belozer by a parent/guardian by the deadline for the season of the sport the request is being made. Families will be notified of the award amount in writing. Athletes who receive financial support are asked to write a handwritten note of thanks to the benefactor.
